District 2452 Organised a Rotary Day in Lebanon

Over 500 Rotarians & guests with their families have attended "Rotary Day Lebanon", which took place on Saturday May 9, 2015 at Arnaoon Village Batroun. Rotary Day Lebanon proved to be a fellowship event by excellence; it has achieved its two objectives; first, of bringing together Rotarians from all 27 Rotary clubs in Lebanon; who enjoyed a wonderful day full of fun, friendly encounters, good food, nice weather, and a lot of outdoor activities, and second, of introducing the true image of Rotary and demonstrating the Rotary spirit of Service-Above-Self to the non- Rotarian public and to the community at large.

District 2470 Organised a Rotary Day at Vari Beach

The RC Hermoupolis- Syros organized for the first time with great success a Rotary Day in hotel Kamelo at Vari beach. During the event the President made a short informative speech about the history and actions of the Club and Rotary in general, Rotary leaflets were distributed and a treat with a variety of dishes followed. The event was also attended by the hospitality of the children of House for Protection of Minors accompanied by four responsible ladies of the House as well as the founder Mrs Maria Fosteri, who for the past 17 years has been the mainstay of the foundation. After having had lunch, the children were given gifts and played on the beach. Then Rotarian attendees and friends of Rotary remained and enjoyed lunch until late afternoon.

The Chartering of the Hellenic Ionian Fleet was held in Preveza in the presence of D 2470 Governor Marianna Kaloeida, D 2484 Governor Kostas Karvounis and many R.I. and IYFR Officers on May 2. The Chartering Ceremony took place under the auspices of RC Preveza and its President Anna Roubou. Jun Avecilla Vice International Commodore wrote: "The historic Charter of the first Hellenic Ionian Fleet was held in on May 2, 2015 at the plush Margarona Royal Hotel in Preveza. One year in the making, initiated by FM Zeev Matar of the Israel Fleet with PDG Katerina Kotsali-Papademitriou D2470 2012-13 who assumes to be the Fleet Vice Commodore, PDG Vissarion N. Zachos D2481 2010-11 as Fleet Commodore and DGN Kostas Karvounis of D2484. They lead a strong and enthusiastic 38 members from their various Clubs and Rotary Districts that include DGE Gregory Grigoropoulos and DGN Apostolos Mamatas of D2470. IC Sergio Santi officiated the Charter with PIC Ferrit Biren and RC Selda Gerson. I have never seen such great and keen support from past, present and future Leaders of any Rotary Districts in any country in the world no wonder they are already talking of a second Fleet in Athens in September and another in Montenegro hardly. The Charter was preceded by great fellowship activities and visit in various historical sites and museums in Nikopoli, Acherontas and a cruise to the Islands of Madouri, Scorpios etc. in beautiful resorts in Nydri Lefkada and Parga with wonderful acquaintances and fellowship lunches and dinner and coffee espressos! Truly an unforgettable experience that we are glad to have been a part of. Wishing all the leaders and members aboard the oldest and exciting world of Yachting Fellowship in Rotary where the motto is Fun Fun Fun. A unique Rotary Fellowship with a flair for Service. Mabuhay!"

Ladies Leadership Light Up Rotary Conference Held in Romania

International Conference "Ladies Leadership Lights up Rotary" 2015 held in Bucharest, Romania, on 20-22 March 2015 at Hotel Crowne Plaza with the participation of RID Şafak Alpay, ARPIC Katerina Papadimitriou and PDG Vesna Baltezarevic from Zone 20B. Photo Credit ; Virban Photography.

In '89 not only a wave of freedom covered the Central and Eastern Europe, throwing communism away, but another sort of freedom touched Rotary world too – ladies' right to become Rotarians. So, after 25 years we celebrate a new Rotary in the region and 25 years of feminism in Rotary. For three days (March 20-22, 2015) Bucharest, the capital of Romania, District 2241, was the first strategic centre of Rotarian ladies activities analysis and celebration, starting from the historical moments of women membership in Rotary (past and present), passing through vocational Rotary women service, in the frame of Rotarian ladies leadership.

These three topics defined the following sessions:

- Membership – diversity by gender (S1)
- Rotarian women & vocational service (S2)
- Successful women leadership levels in Rotary (S3).

The speakers where famous but also young Rotarian ladies, past or incoming leaders. Special professional presences were secured onsite by PRID Gidi Peiper and online - Skype link - by RIDE Jennifer Jones D6400 (Canada), who encouraged us to Join Leaders, Exchange Ideas, Take Action.

Some words about the exquisite performances:

-IPDG Irena Brichta (D2240, The Czech Republic & Slovakia) presented with professional conviction What women mean to Rotary, DG Mali Levi (D2490, Israel) was proudly speaking about Being a woman DG - ... activity ...to change the membership status in ... district (S1);

-Session 2 was initiated by our Rotarian Sister Theresa, PDG Deepa Willingham (D5240, USA), a symbol of Rotary dedication (speech title: Half the Sky), continued with Rotarian women and vocational service - personal experience & women that have been role models presented by the experienced and talented speaker PRID Ann-Britt Asebol (D2330, Sweden);

-PDG Albertine Perre – D1570 (The Netherlands) anticipated Rotary's Polio Endgame by Success and Challenges & NID experiences as a Rotarian and as a doctor;

-PDG Dominique Dubois – D1670 (France) explained why vocational women agree to join Rotary and PP Geta Gheorghe – D2241 (RC Bucuresti Cismigiu) , together with Rebeka Buşinel – D1912, Slovenia, told us by projects what means to be a stomatologist or architect in Rotary;

-Session 3 started with PDG Katerina Kotsali Papadimitriou – D2470 (Greece), speaking about Women pioneers in Rotary and continued with splendid presentations like Women's roles in Rotary - challenges & uniqueness (RC Mary Berge – D7330 (USA), Great ladies' leadership journey in Serbia (PDG Vesna Baltezarevic – D2483), Ladies work in Rotary in Hungary . How can a lady become governor in Hungary (DGN Ilona Penzes – D1911, Hungary), Shaping the future - developing better change leaders" (Gabriela Puskas – D2241, RC Timisoara Cetate), A journey from Rotaract to Rotary (PP Suncica Bulat – D1913, Croatia), Lady Rotary Club President (PP Codruta Morar – D2241, RC Sighisoara) and Woman and Renewal of Humanity (PP Ioanna Mari – D2470 Greece).

A special presence was represented by Cristina Petrescu – Inner Wheel, Romania, speaking about Partnership for Rotary leadership.

This magnificent event, initiated by PDG Martha Mocanu, convener, was implemented by the District 2241, Romania & Rep. of Moldova – Governor Petrisor Diculescu and the Part of Zone 19, Regional Coordinator, RIDN Corneliu Dinca, led by RID Safak Alpay, RI representative - excellent moderator and speaker.

What main conclusions can we get after this kind of successful international reunion?

For sure, there is a natural complementarity of gender, in Rotary too, and an event like this was and will remain a SIGNATURE **conference**, needing multiplication and continuity, to be shared inclusively by the Rotary men's world!

District 2451 Supported World's Greatest Meal to End Polio Initi...

District 2451 – Egypt had the privilege of hosting PP Susanne Rea, Polio Committee Chair and initiator of Rotary's "World's Greatest Meal To Help End Polio" from District 9550, Australia, and PP N.K. Gopinath, Chair of the End Polio Flame committee, from District 3230, India, from March 4-11, 2015. The flame is touring many countries including India, UAE and Egypt before going to Bahrain, Austria, and England then onwards to Baltimore, New York, Canada, Texas, and Florida and will end up in Sao Paulo, Brazil, during the RI Convention where the flame will be handed over to RI President Gary Huang.

The "World's Greatest Meal" one-week-tour in Egypt included the Governorates of Cairo, Giza, Alexandria, Kalyoubia and Luxor with a fund raise of US\$ 25,800 which will be matched by the generous Bill and Melinda Gates Foundation to become US\$ 77,400. Apart from the awareness campaign and touring of the torch, Susanne and Gopi attended several activities and Rotary Days organised by several clubs, one of which was attended by Dr. Adel Adawy – Minister of Health who praised the efforts of Rotary Clubs in eradicating Polio among other healthcare service projects.

The highlight of this historical tour was lighting up the "End Polio" sign on the wall of the magnificent Temple of Luxor as it was previously lit on many famous places around the globe. The Temple of Luxor is one of the most ancient and famous temples in the world. This glorious event was witnessed by the Mayor of Luxor City and other governmental officials in addition to many tourists from many countries, who gathered to take photos with the flame. To foster our Rotary Public Image, this event was covered by the media (local newspapers and TV channels).

Luxor Temple is a large Pharaonic temple complex located on the east bank of the Nile River, south of Egypt in the city of Luxor which was previously called the city of Thebes; capital of Ancient Egypt and is known today as the "world's greatest open-air museum". Luxor is divided by the Nile into two areas commonly called the East Bank and West Bank which were considered in Ancient Egyptian times as symbolizing respectively Life and Death. The two famous temples on the east bank are the Luxor temple and the Karnak temple, which are connected together by the Rams road with 1200 statues on both sides. The beautiful Luxor temple was founded in 1400 BC and was built during the reigns of the kings of the 18th and 19th dynasties; namely Amenhotep III, Ramsis II, Thutmose II and Tutankhamen.

Rotary Day in District 2430

District 2430 Organised a Rotary Day in Ankara

This year Korhan Atilla, Governor of District 2430 decided to celebrate the 110th Anniversary of Rotary publicly, together with Rotarians and non-Rotarians, rather than in a usual ball, and Yıldız Rotary Club of Ankara has been assigned for the organisation of celebration activities. Yıldız Rotary Club has approached this duty as an opportunity to both make a celebration with the Rotarians and promote Rotary to non-Rotarians. Within the scope of these activities, a stage was set in the atrium of CEPA Shopping Centre, one of the largest shopping

centres of Ankara, and Rotary was publicised in the giant screen including projects that have been made for 110 years, social contributions, Rotaract, Interact, RYLA, youth projects, and projects of the committees and clubs. In parallel, a Balkan Orchestra took stage for 3 times during the celebration activities, 2 dance shows were performed and 2 children's theatres were performed. Rotary projects related to children's health, particularly Polio, were promoted around the children's theatre area. Another desk was organised to draw attention water, food and health projects of Rotary, and a Chocolate Workshop was made to attraction to this desk. At the end of our celebrations, Turkey's first and only Latin Jazz flutist Mihriban Aviral, even recognised by jazz connoisseurs, and her orchestra took stage and made an excellent finale for our celebrations. This organisation both strengthened the unity of Rotary on that day and created the pleasure of working in a project together. Furthermore, thousands of people in Ankara were reached that for promotion of Rotary, as well as thousand in the social media and one of the public newspapers with the highest sales.

TWIN CLUB AGREEMENT
THESSALONIKI - GREECE & IZMIR - TURKEY ROTARY CLUBS
IZMIR, FEBRUARY, 5, 2015

2484, DISTRICT, THESSALONIKI ROTARY CLUB PRESIDENT, THEODOROS ASPASIDIS
2440, DISTRICT, ROTARY CLUB of IZMIR PRESIDENT, HAKAN PEKIN

Upon the decision of their Boards of Directors have met to sign the
TWIN CLUB AGREEMENT
With reference to the theme of fostering good neighbour relations which should unify the two countries Greece and Turkey, and proclaiming to a common future of tasks and hopes in term of United Europe.

TESTIFY THEIR COMMON WILL

1. To promote the fraternization and friendship between the members of their clubs and families.
2. To establish a collaboration in cultural and professional matters.
3. To give privilege to the exchange of young members of the Rotary Clubs.
4. To fulfill the idea of "service" through Rotary with the objective goal the promotion of the Universal Values of *Liberty, Justice, Progress* among people and *Peace* all over the world.

The agreement has been signed, as three copies, with the presence of observers in Izmir, on 5, February, 2015. A copy has been sent to the related Regional Rotary Offices and to International Coordinators.

District 2484 Lighted Noesis to Eradicate Polio

On the World Polio Day - 24th of October, Rotary Club of Kalamaria participated with its action called «Lighting Up NOESIS to Eradicate POLIO» in the worldwide network of Rotary Clubs where through the symbolic lighting of monuments and buildings passed the message that we are 'This Close' from the eradication of the infectious disease that causes infantile paralysis. Despite the adverse and extreme weather conditions, where the time of the event the wind speed was 7 Beaufort and under torrential rain, members R.C.Kalamaria with Rotarians and Rotaractors from Rotary Clubs of Thessaloniki, Larissa, Kavala, Drama and Minden-Germany, gathered at the Science Center and Technology Museum "NOESIS" and illuminated its famous planetarium. Altogether, defying the weather, we transfer the message from the Planetarium to the whole planet and honored alongside two fellow Rotarians from R.C.Komotini, who start with their motorbikes from the homonymous city, crossed 300 km bearing banners with the message of campaign END POLIO NOW and finished the «1st Ride to End Polio» at NOESIS. Although that the bad weather did not allow our event to have the duration and the brightness that we had planned, what really gave us strength and the word cancellation deleted from our minds were the faces of Rotarians who left the warmth of their home and joined us under the torrential rain, no photo and no video could visualize the feeling and the positive energy.

News Release of Rotary International for the World Polio Day

Rotary marks World Polio Day 2014 with US\$44.7 million in grants to fight polio in Africa, Asia and the Middle East

[Humanitarian group's October 24 livestream event from Chicago features top global health experts, polio-survivor Minda Dentler, pop star Tessanne Chin, reggae's Ziggy Marley and more](#)

EVANSTON, Ill. (Oct. 21, 2014) — With the world “This Close”—99%—to eliminating polio from the planet, the effort is receiving an additional US\$ 44.7 million boost from Rotary to support immunization activities, surveillance, and research spearheaded by the [Global Polio Eradication Initiative](#), which aims to end the disabling viral disease worldwide by 2018.

Polio is set to become the second human disease ever to be eliminated from the world (smallpox is the first). To date, Rotary has helped 193 countries stop the transmission of polio through the mass immunization of children. Rotary's new funding commitment, announced in advance of the Oct. 24

observance of World Polio Day 2014, targets countries where children remain at risk of contracting this incurable, but totally vaccine-preventable, disease.

"It is fitting that this round of Rotary grants coincides with World Polio Day, which we use to raise awareness of -- and support for -- the global campaign to end this terrible disease once and for all," said Rotary International General Secretary John Hewko, the organization's top executive. "Rotary is committed to relegating polio to the history books, and we welcome everyone's support as we move ever closer to our goal of a polio-free world."

He noted that the end-game strategy against polio includes the introduction of inactivated, injectable polio vaccine to supplement the progress achieved through the immunization of 2.5 billion children with the oral polio vaccine. Leading that effort is Sanofi Pasteur, the largest manufacturer of polio vaccine and co-sponsor with Rotary of a special program in Chicago on World Polio Day.

"As more than 120 countries in the world are introducing the Inactivated Polio Vaccine (IPV), we are beginning the last chapter on polio eradication," said Olivier Charmeil, Sanofi Pasteur chief executive officer. "At Sanofi Pasteur, we have had a long-term vision of IPV as the ultimate public health tool able to finish the job started with Oral Polio Vaccine (OPV). Today we are honored to stand alongside Rotary, the historical partner in the battle against polio."

About \$18.5 million will go to the three remaining polio-endemic countries: Afghanistan (\$7.4 million), Nigeria (\$8.4 million), and Pakistan (\$2.7 million). An endemic country is one where the wild poliovirus has never been stopped.

Another \$9.5 million is marked for previously polio-free countries currently reporting cases "imported" from the endemic countries: Cameroon (\$3.5 million), Ethiopia (\$2 million), and Somalia (\$4 million).

And \$10.4 million will go to polio-free countries that remain at risk of reinfection: Democratic Republic of Congo (\$1.5 million), India (\$4.9 million), Niger (\$1 million), South Sudan (\$2 million), and Sudan (\$1 million).

The remaining \$6.3 million will go toward polio eradication research.

Rotary provides grant funding to polio eradication initiative partners UNICEF and the World Health Organization, which work with the governments and Rotary club members of polio-affected countries to plan and carry out immunization activities. Mass immunizations of children via the oral polio vaccine must continue until global eradication is achieved.

To date, Rotary has contributed more than \$1.3 billion to fight polio. Through 2018, the Bill & Melinda Gates Foundation will match two-to-one every dollar Rotary commits to polio eradication (up to \$35 million a year). As of 2013, there were only 416 confirmed polio cases in the world, down from about 350,000 a year when the initiative launched in 1988.

'End Polio Now: Make History Today' Livestream Event

24 October 2014 - World Polio Day, (6:30 pm CT) at: <http://ow.ly/A7OKy>

For the second year in a row, Rotary will mark World Polio Day with a livestream event featuring a global status update on the fight to end polio as well as an array of guest speakers and performers. Streaming from Chicago, and hosted by TIME magazine science and technology editor **Jeffrey Kluger**, highlights of the event include:

- **Tessanne Chin**, 2013 winner of the TV show "The Voice," will perform a song during the program, followed by a benefit concert after the event
- **Reggae star Ziggy Marley** will welcome participants to the event and perform via video
- **Minda Dentler**, polio survivor and Ironman competitor, will share her personal story
- Remarks via video by **Olivier Charmeil**, chief executive officer of Sanofi Pasteur and **Bernadette Hendrickx**, Senior Medical and Scientific advisor to the CEO of *Sanofi Pasteur* will deliver remarks live.
- Addresses by Rotary International General Secretary **John Hewko**, Rotary Foundation Vice-Chair **Michael McGovern**, and **Dr. James Alexander**, senior medical epidemiologist at the Centers for Disease Control and Prevention.

About Rotary

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 34,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world. In 1988, Rotary was joined by the WHO, UNICEF and the CDC to launch the Global Polio Eradication Initiative. Visit rotary.org and endpolio.org for more about Rotary and its efforts to eradicate polio. Video and still images will be available on the [Rotary Media Center](http://RotaryMediaCenter).

Rotary Club of Al Obour organised a Marathon on 24 September to Stop Deadly Blood Clots On the occasion of the World Thrombosis Day and in cooperation with the Egyptian Association for Thrombosis, a marathon was held on Friday the 24th of September, together with a series of lectures to spread awareness among Egyptians. It was held at Smash Club, Katameya in Cairo, from 8am to 3pm. The day was a part of RC EL Obour project to create awareness about the danger of blood clotting across Egyptian governorates. Participants were Rotarians and their families, doctors from different specializations related to blood clotting, attendees from all ages and 5 cases for patients who suffered of blood clotting dangers and came to speak about their experience. Lectures focused on conveying the message in a simple way and advising people about symptoms, precautions and possible remedies. Comments of attendees were very positive and encouraging. The day ended with healthy lunch for all participants. Please find attached the brochures of the event together with photos. Looking forward to more awareness events across Egyptian governorates in cooperation with Rotary clubs in local areas

District 2470 Organised a Rotary Day at the Ancient Theatre of ...

The ancient theatre of Epidauros flooded with youthful aura on Saturday 5 July, where 26 year old Dimitris Karatzas, the youngest director ever passed by the scene of Argolis, presented with a group of his generation "Helen" by Euripides. The performance that lifted the curtain of this year's Epidauros Festival was applauded by 4500 spectators of all ages. There were many tourists who were able to attend it with English supertitles, for the first time in 60 years of the Festival. The same performance had been also presented 52 years ago, in 1962, starring Anna Synodinou. The presence of Rotary was crowded and there was a large turnout of Non-Rotarian friends on this performance, whereat they were informed about Rotary and Rotarian leaflets were distributed. An opportunity for fellowship of Rotarian members. A group presence of Rotarians from 2470 District who enjoyed the unique atmosphere and the magic emitted by the Ancient Theatre of Epidauros, but also this modern expression of "Helen" by Euripides.

District 2440 Izmir Göztepe RC - 1st International Photography ...

The Contest is open to amateur and professional photographers from all over the world that are cordially invited to participate in IZMIR GOZTEPE ROTARY CLUB 1st INTERNATIONAL PHOTOGRAPHY COMPETITION 2014 recognised by FIAP (2014/332)

THEME:
"WOMAN: THE SOURCE OF LIFE"

As İzmir Göztepe Rotary Club, with the idea that future generations will be raised by women, our greatest wish is to raise the awareness that it is well-educated and powerfully-standing women who could raise more sensitive and beneficial individuals in society and we wish to encourage every interference which centralizes the problems of women who are our daughters, sisters, wives and most importantly mothers, and issue the needed importance and value of women. We would like to invite all interested photography lovers and artists who want

to contribute the idea: "Women illuminate our future with their lights" and who would immortalize the moments that can provide awareness to join this contest.

AIM:

To reinforce social responsibility projects, done by its' corporate identity, with artistic projects, İzmir Göztepe Rotary club decided to cooperate with İzmir Art of Photography Society (İzmir Fotoğraf Sanatı Derneği - İFOD) . The aim of this cooperation is to unite the rich social and cultural mosaics of the world in photographs by focusing on the subject of "Promoting gender equality in all aspects of life and women's empowerment for sustainable development". We would like to unite the society and the artists who, with an unusual perspective, handle the problems of women with 'barriers', stress the importance of education with their limited freedom, take attention about the women violence and eventually gives the positive message orienting these problems.

No Entry Fee.

Submission Deadline: October 20th, 2014

Mount Climb of District 2484 for Polio Awareness

District 2451 Organised Orphans Group Wedding

RC Alexandria Marine, District 2451 signature project for the fourth year. Our Orphans Group Wedding in cooperation with NGO El Reyada Association. We first carried out a survey with El Reyada for choosing 50 orphan couples from different deprived areas. We were working one month ahead from the wedding event. We carried out a fundraising from Rotary friends in Egypt & Canada, businessmen, family and ourselves. We first distributed to the 50 couples the following: Fridges, stoves, some washing machines, rugs, cotton, curtains, clothes, fabrics, some furniture and wedding gowns. We celebrated the Group Wedding of 20 couples on August 23rd, 2014 in a five star hotel in Alexandria "Tolip" which they sponsored the place and food free of charge. We were around 300 people from family of the brides & grooms, Rotarians, Rotaractors, Interactors, El Reyada members, Friends of Rotary, family, actors, businessmen and the media which they covered the event. The Wedding event was under the auspice of the Governor of Alexandria, Tarek Mehdi. Our DG Ahmed Saada & our Rotary Representative in the Arab League, Ayoub Ayoub attended the event. 3 famous singers celebrated the wedding free of charge. The hairstylists and make up artists did a great job with the brides free of charge. During the wedding, a big surprise to us was from a businessman who donated to each couple around US\$ 500. As well as some businesswomen donated fragrance, cosmetics, shampoo, soaps, etc. & a gift for their home. The Group Wedding Event was covered by the media on TV, newspaper, magazines & E News. It was a hit & well appreciated by the Alexandrian people, Rotarians, Rotaractors, brides & grooms family, friends of Rotary & the media. Thanks to our PP & Community Service Chair, Omaira Elsheikh and her team for their great efforts, a special thanks to our club members, our Rotaractors, Interactors & El Reyada members for making this event a success. At the end of the Wedding I thanked everyone who contributed to this event whether by efforts or donations. We distributed shields & Appreciation Certificates. It was our pleasure to feel that everyone was happy and appreciated what we did. The brides & grooms thanked us with tears on their eyes. We felt it was a dream for them. That's what I call SERVICE ABOVE SELF.

President Gary C.K. Huang's Message to Coordinators and Advi...

Dear coordinators and advisers,
Welcome to the 2014-15 Rotary year! It is an important time to be a regional leader in our organization – we are prepared to share Rotary with our community, invite others to join our Rotary family, and ensure this generation is the last to see polio.
With your support, we can grow our Rotary family from 1.2 million to 1.3 million members. I hope many of you will participate in, or encourage your clubs to host, a Rotary Day: a fun, informal event or service activity for the non-Rotary public in your community. Rotary Days are a great opportunity for you to introduce young professionals, business leaders, Rotaractors, and Interactors to the family of Rotary. They will increase interest in membership, improve Rotary's public image in your community, and bring a new generation of the Rotary family closer to membership. Lead by example and keep Rotary strong by showing your community what Rotary accomplishes around the world.

Perhaps the most important thing we can do in 2014-15 is work together to eradicate polio forever. We have been working to end polio for more than a quarter of a century in the three endemic countries of Afghanistan, Nigeria and Pakistan. Continuing immunizations in Africa, Asia, and the Middle East is crucial to achieving our goal of eradicating polio by 2018. You can work together to keep up the fight and close the funding gap. Encourage clubs to donate their DDF early in the Rotary year and set PolioPlus fundraising goals for 2014-15. Invite members of your community to End Polio Now events and ask them to consider supporting us in our fight against polio.

I find many traditional Chinese values reflected in Rotary: values of service and responsibility, respect for family and for others. Sometimes I call Confucius the world's first Rotarian, because even though he died 2,500 years before Rotary was founded, I find his ideas are very similar to those of Rotary. Confucius said: 與其抱怨，不如改變. This translates in English to, "It is better to light a single candle than to sit and curse the darkness." Thank you for all you do as a regional leader. In 2014-15, I am asking each of you to light your own Rotary candle – and we will Light Up Rotary together.

Athens Rotary Public Image Meeting

On Thursday 24/7 took place in Athens, with the initiative of ARPIC Katerina Kotsali-Papadimitriou, the first meeting concerning the promotion of Rotary P.I. in both Greek Districts 2470 &2484. It has been a very successful and productive meeting that lasted more than two hours. All matters concerning PR and PI have been thoroughly discussed and the directives of a three years action plan have been determined, in a very cordial and friendly atmosphere. Nice coincidence, we also celebrated the birth of the daughter of DG Kostas Karvounis, toasting with a glass of champagne! From D 2470 participated DG Marianna Kaloeida, PDG Maria Delivoria, ARC & PR Committee Chair, D.G.E Grigoris Grigoropoulos, DGN Apostolos Mamatas and the District Trainer Panagiotis Katrougalos From D 2484 participated DG Kostas Karvounis , DDE Georgios Christoforidis, and P.P. Miranda Mpilioni, PR Committee Chair
