District 2470 Rotaractors Cleaned Coast of Volos

On Sunday, June 12th, 2016 with bags and gloves in their hands the members of the Rotaract Club of Volos cleaned up a huge coastal area in Volos. Their goal was not only to collect garbage but to sensitize the citizens in keeping their city clean. With the help of the president of the Rotaract Committee rot. Tsampouris George they managed to gather many garbage bags and cleaned about 2 km of coastline. The action ended with a swim in the sea! With the above action the Rotaractors took part in the project of Rotaract Clubs Beograd Sava and Amaroussio "World CleanUp by Rotaract"

District 2482, Bulgaria Boosts Rotary Public Image Nationwide

Karlovo Rotary Club of District 2482 launched a national prize in the name of „Evlogi and Hristo Georgiev“, to be awarded annually in three categories: education (for promotion of education), philanthropy (donations to worthy causes), business (successful development of Bulgarian business abroad). Nominations can be made by physical persons, NGOs, etc. to the Selection Committee. Winners receive a statuette of the brothers Evlogi and Hristo Georgiev plus a cash award at a special ceremony in May at the Ceremonial Hall of the Sofia University in the presence of public and dignitaries. The statuette is a small version of the monument in the town of Karlovo.

RC Karlovo leads an annual fundraising campaign to support the initiative. In 2016 RC Gabrovo also published second edition of the book „Evlogi and Hristo Georgiev: Life and Work“ with the Rotary logo on the cover. The initiative has been widely covered by all media (TV, radio, nespapers, electronic editions) on local, regional and national level.

NovaTV (national TV channel) is media partner.

Numerous interviews with academics, journalists, actors, etc. - some examples:

www.youtube.com/watch?v=cKr-SRHFIM4

www.youtube.com/watch?v=b8SirhFIMt4

www.youtube.com/watch?v=4EYhjDw0kgQ

www.youtube.com/watch?v=qotMsMuPm3U

A permanent website for the initiative with the logo of RC Karlovo was set up:

<http://evlogi-i-hristo-georgievi.org/>

History

Brothers Evlogi and Hristo Georgiev, born in the town of Karlovo, Bulgaria, were prominent Bulgarian entrepreneurs and bankers in late 19th century. They were great visionaries and philanthropists. They promoted education as a way forward for the country. During their lifetime they made numerous donations to young students, as well as considerable donations to schools, hospitals and chrches in Bulgaria, Bucharest, Thessalonica, Constantinople.

But their most significant philanthropic act was the donation of 6 million gold Lev (the equivlent of 18 tons of gold) and a large plot in central Sofia for the purpose of a building for the Sofia University. This is one of the biggest donations in modern history. In recognition their statues are on both sides of the Sofia University main entrance.

Rotary Zone 21

Ankara Bahcelievler Rotary Club of District 2430 Organised an Art Auction on 1st of May 2016 to raise funds for "Ending Polio"

Paintings for the Auction were donated by the Painters Savaş Simitli, Hikmet Çetinkaya, Şükran İstanbullu, Çağatay Gökmen and Haluk Evitan for raising funds. Enclosed you can find the auction catalogue.

Ankara Bahcelievler Rotary Club, the first club in Turkey to initiate the PolioPlus Project in 1985 are continuing their efforts to help eradicate polio virus on earth with a creative project. The club have attended 2. Modern Art Fair, ARTAnkara on March 9-13th with a booth in order to raise fund for the world's biggest NGO project. Rotarians have asked the painters and also the collectors to support the End Polio Project by donating their art work. More than 70 painters and artists have happily participated in the project and donated their paintings.

All the paintings were exhibited by RC Gallery & Auction House, Ankara. On 1st of May, there was the auction with many invited people not only Rotarians from D2430 but also collectors and those who would like to support the project. D2430 Ankara Bahcelievler Rotary Club President Emre Ozturk have addressed the artlovers and emphasized how much progress Rotary have made since the project has started. He also noted that the world is very close to getting rid of a human disease despite the difficult conditions at Afghanistan and Pakistan, the only two countries that have never stopped transmission of the wild Poliovirus. District 2430 Governor Canan Ersoz has mentioned the importance of the project and thanked all the painters and collectors who have contributed to the project. All 74 pieces have been sold at the auction. The fund will be used to vaccinate thousands of children to help eradicate Polio.

In 1985, Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary have contributed more than \$1.5 billion and countless volunteer hours to immunize more than 2.5 billion children in 122 countries. Ankara Bahcelievler Rotary Club members have been working, raising fund and supporting Rotary Foundation for the last three decades of this journey at which the world is very close in ending Polio.

Rotary Members Attended Jubilee Audience at the Vatican

Nearly 9,000 members of [Rotary](#) from across the globe attended the Jubilee Audience at the Vatican in St. Peter's Square on 30 April 2016 at the invitation of Pope Francis. At the end of the Audience, a delegation of Rotary members - led by Rotary International President K.R. Ravindran - met Pope Francis where he emphasized the importance of vaccinations against polio and urged Rotary to continue. Pope Francis follows Paul VI and John Paul II in connecting with Rotary to encourage their support of a more peaceful and compassionate world. "It is a tremendous honor to be part of this Jubilee Audience," said Ravindran. "Pope Francis has inspired men and women throughout the world – regardless of their faith – with his humble acts of kindness. His call to alleviate the root causes of extreme poverty and human suffering transcends religion, age, nationalism and politics. Rotary members from every religion, nation and creed share Pope Francis' spirit of mercy and compassion, which inspires us to act boldly to address the most difficult challenges facing our world today." By promoting peace, fighting disease, [ending polio](#), providing clean water, sanitation and hygiene, supporting education, saving mothers and children and growing local economies, Rotary members are improving lives and bringing positive, lasting change to communities around the world. Rotary and its partners in the [Global Polio Eradication Initiative](#) are on the brink of making global health history as polio is slated to become the second human disease ever to be eliminated. Cases of this paralyzing but vaccine preventable disease have plummeted by more than 99.9 percent, from about 350,000 cases a year in 1988, to 74 confirmed in 2015. Since launching its [PolioPlus](#) program in 1985, Rotary has donated US\$1.5 billion and countless volunteer hours to protect 2.5 billion children in 122 countries from polio. More than 13 million people are able to walk today, who would otherwise have been paralyzed from polio. Pope Francis personally vaccinated a child against polio in Mexico this past February. While he was Archbishop Jorge Mario Bergoglio of Buenos Aires, Pope Francis was named an honorary member of Rotary – making him the first known pope to receive and accept a Rotary club membership.

District 2484 Press Release of GG 1423034 in Kavala – North Gr...

With great enthusiasm, suitable to an official beginning of Global Grant GG 1423034 on Thursday 25 of February 2016 was held in Kavala, North Greece, the opening ceremony of the two houses in the area of Center of Children's Protection.

These two apartments was the necessary requirement for the implementation of the program. In these apartments will live young persons over 18 years old, in order through their practice scheduled in the program, to be as much prepared as possible for facing life after leaving the protection of the Centre.

Since six (6) months expert scientists volunteered offering time and patience, started to train these young people in areas as money and time management, CV making, personal secure, personal health and hygiene etc.

The budget of the program is 113500.00\$ and was covered by TRF (51500.00\$), 1285RID (39000.00\$), R.C. Hazel-Grove of Manchester (19000.00\$), 2484RID (2000.00\$) and R.C.Kavalas "NEAPOLIS" (2000.00\$).

This opening ceremony was the result of hard work, of a race with time. In less of four (4) months the two apartments were renovated, accommodated and ready for living with the program's money and the donations of fellows Rotarians and non-Rotarians also.

It was an exemplar ceremony promoting Rotary and TRF and, all the participants of the program by roll-ups in the two languages (Greek – English), inside and outside the apartments. The aid of R.C. Kavala West, R.C. Larissa East, hotel 'Ktima Kalaitzi', companies 'DROMON ATE' – 'LAGOUDIS' – 'KOPSIDAS' was valuable. There was by the organizers special mention to the 111th anniversary of R.I. with short speech and a special sign. A very aesthetic sign entering the area of the apartments informs about this Rotarian project. Another sign inside the building shows with photos how this place was before and how it is now.

The ceremony started blessed by the local priest and continued with short salutes by the local authorities and the contributors of the program. Our D.G. Giorgos Christoforidis congratulated the two clubs and Rotarians AGD Anna Pavlidou and Robert Lewis CBE, as the primary responsible of the program.

From Manchester was present a delegation of four Rotarians. They all expressed their satisfaction and happiness for the timely progress of the program.

At the end of the ceremony the young people received the keys of the apartments and the wishes from all for their new life and new challenges they will face.

District 2484 Rotaractors Support the Homeless

On Tuesday, March 1st, 2016 the members of the Rotaract Club of the Rotary Club Thessaloniki Anatolia, showed once again their charitable and social character. They offered food and water to the homeless people in the city center of Thessaloniki. Especially in the current period we live in, let us remember that both Rotaract and Rotary is a way of life. Being confronted daily with the social and physical needs of our community, let us continue to act on a "Voluntary Service" basis, spreading the idea of voluntary service to our community as an important and integral part of our lives.

District 2484 Awarded Community Leaders

The four Rotary clubs of Thessaloniki with hundreds of members, prominent and distinguished personalities of the city, have established, according to the 64-year-old Academy of Athens standards, a wonderful institution rewarding deeds of benefaction, offering, sacrifice, altruism and social action by organized social groups (Army, Police, Fire Department, Coast Guard, etc.) or individuals. The awards take place at a public ceremony in the presence of state authorities, the local government, the Judiciary, the city authorities, representatives of economic and social life and hundreds of citizens. Winners of the prizes are awarded with gold, silver medals and public praise. The Award Ceremony was held on Sunday 20 March 2016 at 11 a.m. at Macedonia Palace Hotel in Thessaloniki. The keynote speaker was the former EU Commissioner and former Minister Stavros Dimas on the subject of "GREEK ECONOMY: Growth, the only solution." A festive formal gathering was also held at Macedonia Palace hotel at 14:00 in the afternoon of the same day, following the ceremony of awards in honor of the former EU Commissioner Mr. Stavros Dimas, as well as all the award winners. Finally, also worth mentioning is that in this year's Benefaction ceremony a special award was given to the International Trade Fair of Thessaloniki for its 80 years of continuous presence and support in the development and culture of Greece.

District 2470 Organised a Workshop on the Refugees Problems

On Saturday 6th of February 2016, District 2470 of Rotary International organized an informative Workshop on: "The problem of the refugees. Effect on Greece. Actions – Solutions. The contribution of the Social Organizations." At the Auditorium of "Radio Athens 9.84" at Technopolis (Gazi) of the Municipality of Athens. The Workshop was supported by RC Attica-West and Athens-Filothai. The official speaker of the Workshop Minister of Internal Affairs Panagiotis Kouroumplis described the actions scheduled by the Greek government to manage the problem. He referred to his recent meeting with the respective French and German Ministers and stretched the necessity to provide immediately more funds to Greece, which can't deal with the problem on its own. He criticized the other EU partners for their delay to realize the extent and the consequences of the current situation. He promised that the hotspots will be ready on time, by the 20th of February 2016. The Governor of D 2470 Gregory Grigoropoulos described shortly the coordinated activities of the district in co-operation with Rotary Clubs and Rotarians abroad, to support the refugees and emigrants disembarking in hundreds at the Greek Aegean islands, with tents, sleeping-bags, personal winter equipment, etc. Such provisions have already been delivered at Lesbos Island, which is heavily crowded with refugees. Two more hotspots in Dodecanese will be supported in the near future. The representative of the Mayor of Athens George Kaminis Mrs Eleni Katsouli, Chairman of KYADA Centre, thanked the Governor of D 2470 Gregory Grigoropoulos for the support of the District to KYADA Centre dealing with poor and homeless citizens, as well as refugees and emigrants.

Celebrating 111 years of Rotary, the Rotary Club of Amman West organized an event of tree planting for a greener Jordan, in cooperation with the Royal Society for the Conservation of Nature (RSCN) and the support of the Rotary Clubs of Amman Jerash & Amman Philadelphia & Rotaract and Interact clubs at the Rotary Club of Amman West Forest in Berain. The event was attended by DG Mustafa Nasereddin , Rotarians, friends and Families. The project originally started in 2013 as part of an initiative to counter act desertification and reduce the carbon footprint of different Rotarians. The first stage of the project was in January 2014 in which 500 trees where planted and planting was repeated in February 2015 and again this year in February 2016. This project over the years was support from RC Wangen Isny Leutkirch, Rotary Clubs of Jordan, Rotary Club of Manama and the Al-Shajarah Association (Jordan) in addition to the Rotaract and Interact of Jordan... District 2452 Cleaned Shores of the Dead Sea

RC Amman Capital of District 2452 held their second round (first round was in October 2015) of cleaning the shores of the Dead Sea. With more than 250 volunteer, the shores of Dead Sea was cleaned from the litter that filled the place, new signs were installed instructing the public to maintain the cleanliness of the shores and waste bins were distributed around the area to maintain the cleanliness of the area. The project ran its second round on the 20th of February 2016 (third round will be in March), the main objective of the project aims at raising the culture of serving the local community, volunteering, and awareness where many Jordanian head to the dead sea area during their vacations and week-ends. The initiative will also influence the local community on social work as well taking responsibility for the environment of the area. Many Rotarians with their families joined the project which was sponsored by many corporations, universities, hotels, NGO'S and governmental institutes such as Arab Potash, The Ministry of Social Development, The University of Jordan, Amman Municipality, The Jordan University of Science and Technology, Marriott Hotel, King Hussein bin Talal conference center, Ghaddeer Water, AL Marrkazeyeh Toyota, Kasret KHobez as well friends of the dead Sea Club. The young generation was the dominant volunteer in the initiative raising awareness about the need to maintain Jordan clean and maintaining the idea of maintenance CAPITAL provided all the logistics & necessities of the project such as Garbage bags, bins, food, refreshments, gloves, shuffles, crakes, brooms, busses to transfer participants and volunteers, media coverage, social media campaign, professional photographer, certificates of appreciation, and printed T-Shirts and caps that has the Rotary Logo and the sponsors as well.

To celebrate Rotary International's 111th birthday, Rotary Club of Red Sea – El Gouna of District 2451 supported the polio vaccination campaign that is targeting 68,611 children in the Red Sea Governorate. The campaign is being held over four days and began on Sunday 21st February 2016. Rotary members donated five cool boxes to keep vaccinations at the correct temperature and supported the campaign around the district. The vaccinations are free to Egyptians and Non-Egyptians. Rotary International has helped towards reducing polio cases by 99.9 percent worldwide since their first project to vaccinate children in the Philippines in 1979.

The Membership, TRF, Public Image Seminar of District 2484 was successfully held in Ioannina, under the auspices of DG George Christoforides, on 29 November 2015. The Seminar was organized with the initiative of RC Doros Jeropoulos and PDG Panos Tzoumas (D 2484). Rotarians from both Greek Districts attended the Seminar. RC Doros Jeropoulos from Cyprus was the Convener of the Seminar. PDG's from both Districts participated in the Seminar, ARPIC Katerina Kotsali-Papadimitriou and DRFC Basile Christaras as speakers, as well as ARRFC Lorentzos Chazapis, ARPIC Aris Zahos, Vassilis Iatropoulos, George Katsilas (D 2470), Panos Tzoumas, Costas Kotsis, Vassilis Mylonas, DGE's Apostolos Mamatas (D 2470) and Costas Petrides and DGN Chryssa Tselepi. RC Ioannina, under the leadership of President Vangelis Athanassiou organized in the best way not only the Seminar but also an important fellowship meeting which included visit to the historical Monastery of Tsouka, the Museum and the open air exhibition of Modern Art founded by the famous sculptor Theodoros Papayannis at Elliniko village.

District 2470 Rotaract Clubs Organised a Christmas Bazaar

On Saturday, the 12th of December 2015, four Rotaract Clubs of D2470 RI organized a Christmas bazaar for a good cause in the town hall of Amaroussion. Rotaract Club of Amaroussion in cooperation with Rotaract Club of Kifissia, Rotaract Club of Glyfada and Rotaract Club of Dionysos had the idea to help a charitable, non-profitable institution by selling handmade Christmas ornaments, jams, books and many other beautiful things that are ideal for Christmas presents. The institution that these Rotaract Clubs supported is called "The House of the Child" in Piraeus (in Greek "To Paidiko Spiti") which is an institution for children that were removed from their homes by court order because of serious problems of their families and now they live there instead of their home. Rotaractors bought with proceeds from the bazaar food stuff, shoes, clothes and bedding in order to meet the everyday needs of the ten children who live there.

World Championship in Tennis for Rotarians will be Held in Bulg...

The next World Championship in tennis for Rotarians will be held in 2016 in Bulgaria. This is a good opportunity for Rotarians to visit our beautiful country, meet new friends and share the service. When this is combined with the tennis matches and practicing our favorite game, the mood will be superb. Participation is open to Rotarians who have registered on the site of www.ITFR.org , which is very easy. Anyone can participate and spouses and members of Rotaract. Place and time of the championship are specially selected to have the opportunity to combine sport, recreation and entertainment. There will be many meetings with Rotarians from the host District-2482.

District 2470 and 2484 Helping Refugees

In Greece Rotary's work is multifaceted but above all is close to the people and their needs. Within this framework, 2470 District of R.I. and R.C.Koropi are offering to the Prefecture of Mytilene/Lesvos 107 tents with a capacity of 6 to 8 persons, as well as 270 sleeping bags for the needs of the thousands of refugees that are arriving on the island. The fore mentioned supplies have been gathered from Rotary Clubs of the United Kingdom and shipped straight to the island of Mytilene/Lesvos after communicating with 2470 District Governor. Delivery of the supplies, took place on November 21st. Present were RID 2470 Governor Professor (NTUA) Grigoris Grigoropoulos, PDG Nikos Kouzinoglou (2484 RID) Assistant Governor and Representative of RC Koropi Maria Mastora as well as rotarians of RC Mitilene that have been offering and helping nonstop since the beginning of the refugee crisis. Also District 2484 take action about this problem. The Press release on activities can be read below.

District 2484 Rotaractors Joined Global Model United Nations i...

From the 26th to the 30th of August 2015, Rotaractors from more than 25 countries and from every continent in the world, met in Belgrade for the third edition of the International Youth Conference: Rotaract Global Model United Nations, hosted by the Rotaract Club of Beograd. Model United Nations, also known as MUN, is an educational simulation in which students represent countries while discussing crucial issues that concern the international community and learn about diplomacy, international relations, and the United Nations. This particular Conference is organized in a different country every year, by a different Rotaract Club. The previous two editions were hosted by Romania and the United Kingdom respectively. After having participated in more than twenty MUN conferences, the President of the Rotaract Club of Arista Telein Thessaloniki (District 2484 Northern Greece), Danai Beka, served as the Secretary General of the Conference, the head of the United Nations Secretariat. Elisavet Dravalou, also member of the Rotaract Club Arista Telein Thessaloniki, served as Co-Chair of the Economic and Social Council of the Conference. After three days of intense debate, the delegates of the Committees: Security Council, Human Rights Council, Economic and Social Council and the Legal Committee, voted impressive resolutions with innovative solutions to crucial issues, many of which have been raised by Rotary International as well. Their responsibility was great since, what is different in this particular MUN conference is that the voices of the participants, the solutions of Rotaractors from around the world, will reach the actual United Nations in New York. The resolutions will be presented by the Secretary General of the Conference, Danai Beka, and the Rotaractor and project manager of this year's edition, Mina Vasovic, on the 7th of November during the Rotary UN Day, before hundreds of Rotarians and ambassadors.

Districts 2420 - 2430 and 2440 Organised a Joint New Member ...

RI Districts 2420-2430-2440 New Member Orientation Camp, hosted by Maslak Rotary Club, was held on October 10.11 2015 in Istanbul Turkey Total participation including the spouses was 149.(82 new members). The program was the organized by the membership committees of the three Districts. under the guidance and coordination PDG Yeşim Yöney (Zone 20B Assistant Rotary Coordinator), The pupose was to educate the new members about Rotary, to give them Rotary sprit and pride, to make them part of the teamand to make them feel welcomed and special. DGs, DGEs and quite a few PDGs attended the camp. The program helped to broaden the new members knowledge of Rotary including the history and administrative structure of RI and the Rotary Foundation, Strategic Plan, Rotary policies and procedures,and Rotary Programs. We also shared our Rotary moments. The program also included team building activities and icebreakers that were enjoyed by all participants. The camp also provided an opportunity for the new members to meet new members from other districts as well as Turkish Rotary Leaders. I strongly believe that we were able to sew the seeds of Rotary pride in the new members and broaden their knowledge of Rotary. The following topics were covered: Mission and vision of Rotary; areas of focus; history and achievements of Rotary International; RI, District and Club structure; presidential themes; club meetings; RI programs, the Rotary Foundation and programs; ICC, benefits of Rotary membership, expectations, attendance requirements, financial obligations and membership profile; Rotary resources; Rotary from the perspective of the youth (Rotaracts; RYLA, Peace and Conflict Studies Program, Youth Exchange Program participants);and Rotary stories. Apart from plenary sessions and panels, there were group challenge and "you ask, we reply" sessions, team building activities and games through which new members and spouses enjoyed the fellowship and developed team spirit. In the evening the new members were divided into four themes and were asked to create a sustainable Rotary Project within the light of the presentations during the day. All teams worked very hard and presented their projects the next morning. It was a great learning experience for all concerned and the DGE'S were presented with four excellent projects fort he coming year.. During the "you ask, we reply" sessions they had the chance to direct their questions to DGs and PDGs. During the two days apart from sharing knowledge and experiences, we developed new fellowships among Districts, strengthened unity and helped new members internalize what it means to be a Rotarian. I would like to thank to the three DGs, the membership committees of the three Districts, Maslak Rotary Club, to all the wonderful speakers and to Project Lead Murat Öz for their support. The new member orientation expenses were covered by the approved membership development budget of RI. We prepared our proposed budget and sent it to Project Lead PDG Murat Öz for his authorization. Please use this allocation in your districts to develop Rotary membership.

District 2470 Rotarians Support Women with Breast Cancer

Psychiko Rotary Club actively supported the Panhellenic Association of Women With Breast Cancer "Alma Zois", through its participation in the race «Greece Race for the cure». The event was held on Sunday, 27th of September 2015 at Zappeion, in Athens. Psychiko Rotary Club, with the cooperation of 2470 District of Rotary International, took the initiative to invite Rotarians who wanted to offer by this way and thus created the group «ROTARY CLUB». At this invitation, Rotarians of several clubs positively responded, and thus "Rotary Club" team, managed to attract the interest as the 7th largest group with 38 participants and 11 more that were enrolled after the deadline of the groups, and therefore they couldn't be formally counted at the above group. The 2470 District Governor Gregoris Gregoropoulos, as well as, the previous District Governor Marianna Kaloeida participated at the race. Rotaractors also participated in the race. Sunday 27th of September was a wonderful autumn - but sunnny - day, a day of fraternization and full of pleasant moments !

District 2484 Climbed Mount Olympus for Polio Awareness

The 2484 Rotary District (Northern Greece) organized an event at 25th to 27th of September 2015. District Governor Georgios Christoforidis and Rotarians of District Rotary Clubs climbed on mount Olympus, the mountain of gods. The purpose was fundraising for Rotary Foundation and to let people know what it does about peace and international understanding through the improvement of health, the support of education and alleviation of poverty. It was a difficult seven hours climb in the rain. Next morning the Rotarians hoisted the banner of Rotary foundation on the top, followed by six hours descent. It was a very successful event.

District 2451 Organised a Rotary Day in Alexandria

Deciding to be a real gift to the world, RC of Alexandria East came to dream real big this year integrating all 6 areas of focus to the community, presenting almost all possible Rotary avenues of service in a "parade like", one day festivity of service on the streets of Alexandria.

Project title was carefully chosen being this year's club signature project; reflecting the real aim of our service which is "in love of Egypt" – ben7eb Masr- to convey the Public Image of Rotarians being only ordinary Egyptians who chose to rank service above self .

Project idea is roaming across all Alexandrian districts namely : Elgomrok- Sharq- Gharb- Wassat- Montaza 1&2 - Amreya- Agamy- Borg Al-Arab) targeting the most deprived areas within each district and serving literally on the streets to show the world true Rotarians in action. In other words, by the end of the year, project scope will inclusively have authentically encountered in service all geographic and demographic Alexandrian population.

Project activities include:

- Medical convoy clinics in all medical fields.
- Pharmacy offering prescriptions for free.

- Field labs providing different medical lab analysis (blood, urine, stool and pregnancy test)
- Family planning clinic offering free contraception (pills and loops).
- Virus C initial screening.
- Medical screening (blood pressure; diabetes and obesity)
- Blood donation campaign.
- Charity Bazaar offering new and old clothes for as low as 5 L.E per piece for needy families
- Tree Planting.
- Literacy class inauguration by registration.
- Health awareness lectures for patients at waiting areas (malnutrition- lactation management (breast feeding)- personal hygiene- Virus C infection control.
- Environmental lectures held by Bibliotheca Alexandrina on sorting garbage from home and recycling issues as well as solar energy.
- Peace related issues were tackled in an interactive session on conflict resolution and accepting the other.
- Water rationalization lectures for children to learn value for water as source of life, provided by Alexandria Drinking Water Company, who also provided parade with a truck with hugewater tap attracting attention of traffic. Significantly, the same station also provided a front desk to handle public questions & answers and receiving complaints.
- Children were cared for in a cheerful corner, where their faces were painted with Egyptian flag ; a coloring & handcrafting zone was also a pleasure to visit place . Kindergarten specialists were in charge of service.
- Starting second run, a new booth will be added providing a "micro-financing" opportunities for potential candidates in collaboration with other specialized NGOs
- Also, starting next run a new booth will be dedicated for vocational training opportunities for serious prospects in collaboration with relevant NGOs (marketing the opportunity and registration - a protocol is being worked on.
- Among Rotary's policy of branding , Only Rotary brand was used and the six areas of focus icons were clearly shown in project banners. In addition; on all site banners; matching icon was the main indication of service provided (i.e the health icon next to the banner of clinics...etc)
Attracting public attention to our cause, Golden Riders - a group of elite professionals sharing the hobby of motorcycling- who held a dedicated Friday morning ride across the city with elegant flags showing their support to RC Alexandria East . Starting from the Montaza Royal palace. Final destination and closing ceremony was Abo Al Abbass Square (service venue) where group photos were taken with large number of people with project banner. In this, Family of Rotary was strongly encountered as a fellow Rotarian's brother is a Golden Rider himself.
Significantly, RC Alexandria East is keeping an eye wide opened in the future of rotary passing the essence of service and the know- how experience to our partners; planning to integrate Rotaract and Interact as well as Innerwheel Clubs of Alexandria East in a "Mega East Day" in the fourth run (November station) and ensuring youth capability having Interact and Rotaract clubs managing the last station on their own
Project was successfully inaugurated On Friday 21st of August in Alexndria's oldest district that is ranked amongst world's most heavily populated areas : Elgomrok District . Alexandria's iconic most famous historic square" Abbo El Abbas El Morsi "was the most attractive spot for launching in spite of the endless list of governmental entities that we had to coordinate with. No better venue could have had this impact to broadcast Rotarians being a gift to the world.
1058 patients were served in clinics and offered medications in addition to approximate of ... lab tests. In parallel, approximate of 700 walk-ins were screened for blood pressure and diabetes. 15 online e-magazines covered the event as per club's media release and more than other 15 covered it as per Ministry of Health public relation release. Alexandria TV channel covered it from site too.
Project route carefully planned; arranged for and plotted on this Rotary year calendar .
By this project, we at RC Alexandria East believe that we are raising the bar and hitting the sky by our new 6 in 1 service project. Giving the best Rotary Image to the public, served population, as well as other NGOs and Governmental officials.

District 2484 Donated Hair to Support Children Suffering From ...

Rotary Club of East Larisa District 2484 in collaboration with the Cancer Support Community of Larisa organized and conducted a hair cutting and donation event for the making of hair replacements for children fighting cancer. The first donors were Mr. Efstathiou Nikos, the Club's treasurer, along with Mr. Makris Georgios and SkoulidisDimitris, friends of the Rotary Club. This initiative aims to motivate the local community and Thessaly in general, as well as all Greek Clubs to participate in this kind of donation. It is a small "sacrifice" taking into consideration the joy we can offer to these children. We would also like to express our gratitude to our two friends who eagerly agreed to donate their hair as well as the hair salon "Christin Inspirations" for offering free services for cutting and packaging the hair.

District 2483 Organised a Youth Seminar in Belgrade

From the 26th to the 30th of August 2015, Rotaractors from more than 25 countries and from every continent in the world, met in Belgrade for the third edition of the International Youth Conference: Rotaract Global Model United Nations, hosted by the Rotaract Club of Beograd. Model United Nations, also known as MUN, is an educational simulation in which students represent countries while discussing crucial issues that concern the international community and learn about diplomacy, international relations, and the United Nations. This particular Conference is organized in a different country every year, by a different Rotaract Club. The previous two editions were hosted by Romania and the United Kingdom respectively. After having participated in more than twenty MUN conferences, the President of the Rotaract Club of Arista Telein Thessaloniki (District 2484 Northern Greece), Danai Beka, served as the Secretary General of the Conference, the head of the United Nations Secretariat. Elisavet Dravalou, also member of the Rotaract Club Arista Telein Thessaloniki, served as Co-Chair of the Economic and Social Council of the Conference. After three days of intense debate, the delegates of the Committees: Security Council, Human Rights Council, Economic and Social Council and the Legal Committee, voted impressive resolutions with innovative solutions to crucial issues, many of which have been raised by Rotary International as well. Their responsibility was great since, what is different in this particular MUN conference is that the voices of the participants, the solutions of Rotaractors from around the world, will reach the actual United Nations in New York. The resolutions will be presented by the Secretary General of the Conference, Danai Beka, and the Rotaractor and project manager of this year's edition, Mina Vasovic, on the 7th of November during the Rotary UN Day, before hundreds of Rotarians and ambassadors.

District 2484 Successfully Accomplished the Ride for Polio

District 2484 Rotarians organised a Motorcycle tour from 22 to 27 August 2015 to create awareness on Polio and fundraising. 6 Rotarians from 3 different Rotary clubs of Greece are on a fundraising adventure across Greece, Bulgaria, Serbia, Romania and Turkey in order to raise awareness and support for the final push to end polio. Rotary Club Dragos was very happy to welcome them at a luncheon where guest speakers spoke about polio, tshirts were sold in order to raise funds, and new friendships were established.

2nd International Peace and Youth Forum Announcement

The tragic incidents of humanity we are going through recently, remind us how badly we are in need of peace these days.

A necessity has been created for individuals that they learn to resolve differences through talking and debating as a part of they culture.

We invite young people between the ages of 18-25 to the **2nd International Peace & Youth Forum** which will be held again in Izmir between April 16th and 20th, 2016.

The Interountries Committee and the Committee of Peace and Conflict Resolution in RI Distyric 2440 mutually organize the Forum that aims to bring approximately 250 young people, consisting out of rotaractors in District 2440 and non-rotarian foreign or Turkish youngsters, together in order to talk about peace in the world.

This Forum also aims to give Turkish families the opportunity to become more familiar with the international youth and improve the warm relations among the participants.

As an excellent highlight during the 2nd International Peace Forum we will have 27 participants from Australia and New Zealand. Districts 2420 – 2430 and 2440 are hosting youngsters before, during and after the 2nd International Peace Forum with a special program concerning the improvement of cooperation and understanding among nations, which serves the aim of the forum as well.

The due date for application to **2nd International Peace & Youth Forum in Izmir** has been declared as **1st of February, 2016.**

The language of the Forum will be English and no translators will be provided. The participants are expected to have fluency in English for efficient communication.

We kindly request all the foreign participants to buy their flight tickets only after receiving the confirmation from the organization committee.

District 2430 Created Awareness to Diabetes

Samsun Ilkadim Rotary Club performed a humanitarian project for creating awareness to type II diabetes in Samsun city in Turkey on July the 2nd, in collaboration with the Samsun city Directorate of Turkish Ministry of Health, Samsun city Municipality, Canik town Municipality in Samsun and Cokay private hemodialysis center in Samsun. Sixteen volunteer nurses from a Ministry of Health hospital in Samsun (Gazi state hospital) and from Cokay private hemodialysis center, and all members of Samsun Ilkadim Rotary Club with their spouses and children participated in the project actively. Type II diabetes is accepted to be a sly metabolism disease which impairs most of the tissues and organs quickly and furtively. It is of importance to diagnose the disease via measuring the fasting and fullness blood-glucose levels. In the project, 284 individuals from a population that gathered to have "iftar (the dinner to stop the fasting)" in the municipality tent-meal service were analysed for their blood-glucose levels before and 2 hours following "iftar". Their data were recorded for the Turkish Ministry of Health archives and they were informed about diabetes. Brochures and documents of the Turkish Ministry of Health including information about healthy nourishment and diabetic life were distributed to all participants. Fiftyfour people, who were not aware of it, were determined to be a diabetic patient and they were guided to health centers for treatment. Glucose level recording cards which included the logos of Turkish Ministry of

Health and Samsun Ilkadim Rotary Club were given to all analysed individuals. the end of the project, all enrolled people received miscellaneous gifts from Samsun Ilkadim Rotary Club, Samsun city Municipality and Canik town Municipality. The overall project lasted in a very nice, happy and directive situation, and a lot of people interested in this important Rotarian performance.

Hand Over Ceremony in District 2482

Rotary Bulgaria officially opened the new Rotary Year with a stylish Gala and accompanied by performances of Pleven Philharmonic.

On the first Saturday of July, nearly 160 Rotarians from clubs from Bulgaria met in Pleven to officially celebrate the start of the new 2015 – 2016 Rotary Year. The new Rotary theme is Be a Gift to the World and will be a leading theme of Rotary clubs projects in Bulgaria and around the world. The start of the celebration was marked by performances of Pleven Philharmonic in 'Iliya Beshkov' Art Gallery. The hosts of the event were Rotary and Rotaract Club of Pleven – Centrum. The Mayor of Pleven Prof. Dr. Dimitar Stoykov greeted the Rotarians in Bulgaria for the projects that the Clubs do for the local communities and expressed his gratitude for the activities of Rotary Club of Pleven – Centrum for their long-standing dedication to the well-being of the town. The official program included greetings by Ilario Astinov, District Governor of Rotary Bulgaria for 2014-2015 and Nina Miteva, District Governor for 2015-2016. Immediately after that Nina Miteva stepped as the new District Governor of Rotary Bulgaria. 'Friendship, integrity, variety and service are the qualities that lie at the core of Rotary. As professionals, we share ideas and share our resources and expertise to find sustainable solutions of needs and problems in our communities and around the world', said Nina Miteva, District Governor of Rotary Bulgaria for the year 2015-2016. As part of the event and following the established traditions, Rotaract – Rotary's youth program – and Kristiyan Gaydarov, Rotaract Representative for 2014-2015 passed its position to Vasil Despodov, the new Rotaract Representative for 2015-2016. At the end of the event, Kalcho Hinov, Past District Governor and Chairman of Zone Committee of The Rotary Foundation, greeted Nina Miteva, the new District Governor, and wished three main things: to continuously learn more about Rotary while serving as District Governor, to help Rotary projects gain national importance and to encourage the donations to the Rotary Foundation. As a sign of recognition for his 25 years of work and dedication to Rotary, Nina Miteva awarded Kalcho Hinov with an honorary plaque. This was a recognition for his 'gift' to the world of Rotary, which he made by restoring Rotary's activity in Bulgaria during the post-socialistic changes from 1989 on.
