District 2470 Supporting Communities - Athinai Lycavittos RC

AthinaiTHINAI-Lykavittos Rotary Club of District 2470 with the contribution of the 2470 International Rotary Region and the participation of P.O. Rhodes, Kastellorizou-Megisti, Rhodes-Kolossos, Marathon-Nea Makri, Santorini-Oia, Heraklion -N. Kazantzakis, Samos, Kifissia-Kefalariou, Patras, Piraeus-Anatoli, Heraklion, Kos, Pallini-Gerakas, Vouliagmeni, the Hellenic Aegean Fleet IYFR and the PDG Georgios Mavros made a District Grant for the supply of a SEABIN (floating cleaning system) of the port, which is burdened daily by the movement of vessels, especially the Navy and the Coast Guard. This system, in addition to the aesthetic upgrade, will ensure the survival of the special marine fauna and the preservation of the biodiversity of the area. A project with high symbolism and international scope!

Her powerful dolls speak for those women and children who can't. Each figure wears uniquely colored shoes and represents one of six major issues women and children still face: sexual harassment and rape (yellow), domestic violence (blue), forced and early marriage (orange), female genital mutilation (red) and cyber abuse (green). This project is meant to be a bridge between children and adults breaking down taboos that are normally accepted in silence. We, as Rotarians, are proud ambassadors of this project.

District 2232 Appeal for Help

Dear Rotarians and friends from all over the world!

Ukraine (District 2232) has been invaded by Russia and Belarus. Ukrainian cities are being bombed and shelled, many civilians, women and children, have been killed or wounded. There is a huge wave of refugees, who are fleeing the war to the west of the country and to cross its borders into neighbouring countries. RI Board of Directors has established a RI Committee to coordinate the provision of assistance to Ukraine from around the world. The following key contacts have been appointed:

RI - Zone 21/22 Director - Kateryna Kotsali-Papadimitriou (email: katerina.kotsali@gmail.com, +306944411570);

Rotary Ukraine:

PDG Mykola Stebljanko (email: sniko@ukr.net +380676503018) and

PDG Vira Syryamina (email: rotaryd2232ua@gmail.com +380677466521).

District 2232 has formed a Coordinating Committee for the Prevention of Humanitarian Disaster during, focused on helping victims of the war in Ukraine and coordinating support from RI

We are asking you for help to overcome this global catastrophe. We are collecting financial assistance to the official accounts of our District 2232 to buy humanitarian aid. The District accounts for sending financial aid:

Ukraine conflict - Message from RPIC Mykola Stebljanko

About the situation in Ukraine an RI Committee established that will coordinate the provision of assistance from around the world to Ukraine. It was decided to appoint contact persons:

- besides RI - Zone 21/22 Director Kateryna Kotsali-Papadimitriou (email: katerina.kotsali@gmail.com, +306944411570)
- besides Ukraine - PDG Mykola Stebljanko (email: sniko@ukr.net, +380676503018) and PDG Vira Syryamina (email: rotaryd2232ua@gmail.com, +380677466521).

Nowadays the Committee develops action plans for immediate, short, medium, and long terms. It will be realized in cooperation with Shelterbox, Disaster Aid Europe, Disaster Relief and Crisis Management Coordination Cell, Rotary Action Groups, Rotary Fellowships, etc. Details will be sent in the next email.

Also in District 2232 (Ukraine) the Coordinating Committee for Humanitarian Prevention of disasters was formed, which aims to provide assistance to victims of hostilities in Ukraine. District 2232 and the Coordinating Committee for Humanitarian Prevention of disasters during the war are asking you for help to overcome such a global catastrophe. We collect material assistance to the official accounts of our District 2232 to buy humanitarian aid. The District accounts are in the attached Governor Communique.

The most IMPORTANT. The last day's military activities of the Russian Federation have inhuman actions. The message from the Ombudsman of Ukraine: "The Geneva Convention relative to the Protection of Civilian Persons in Time of War prohibits the use of any measure that may cause physical suffering or kill civilians. On the seventh day of the Russian military invasion of Ukraine, more than 2000 civilians were killed, including 22 children". The Armed Forces of the Russian Federation are deliberately shooting down civilians and civilian infrastructure using weapons that cause undue damage or unnecessary suffering (ballistic rockets, vacuum bombs, cluster munitions). This is not a military operation, this is the real war against the people of Ukraine. The face of the current war in Ukraine you can see in the attached photos.

District 2470 Supporting Communities - Athina-Filothei RC

Rotary Club Athina-Filothei of District 2470 took leadership of a special initiative in the North of Athens. In partnership with a rising force in 2470 RID, E-club of South Greece, they donated 150 books to the General Oncology Hospital of "Agiol Anargyroi" in Kifisia. This is just another example of a perfect Rotary Partnership in action. Together, along with Cultural Organisation "In Libro Vita", they launched a successful campaign for the offering of unused books and successfully engaged their local communities into societal service. The donation of these books set the cornerstone for the inauguration of a library that will service and enrich the quality of stay of the patients of the hospital, predominantly oncology patients and their companions irrespective of the length of their occupancy-short-term unit/chemotherapy or long-term treatment.

On the day of the delivery, the Club's Officials were warmly received at the hospital's premises by its Senior Members of Staff, its Director, Mr. Tsouroulas, General Manager, Mr.Kiouis, and Deputy General Manager, Mrs. Maggiori, all of whom officially accepted the donation, expressed their gratitude and their admiration for our Organisation.

The destructive forest fires of last summer caused a lot of pain and left behind a havoc. Through the ashes people bonded and heroes rose. Our firefighters both regular and volunteers fought hard along with a multinational firefighting force that came to their help.

Rotary Club Koropi wishes to honour this spirit of camaraderie and self-sacrifice with the valuable help of German Rotary Club Dieburg-Badenhausen and the great offer of Werner Stiftung foundation so organized. 45 NOMEX (45 pants and 45 long sleeve shirts) were donated to ΣΕΑΔ (Association of volunteer firefighters of Afidnes) with a total cost of 10400 €

The delivery ceremony took place at the ΣΕΑΔ (Association of Volunteers Firefighters of Afidnae) premises in Kapandriti in presence of a representative of Germany Rotarians, rotarian past President of RC Dieburg-Badenhausen, Dr Antonios Spanidis and President and members of RC Koropi.

In addition on February 26th, they responded to the request of "Together we Can" for the enhancement of the social lending libraries and gathered large amounts of books. The books were delivered to the premises of Voula Municipality.

Following the seminar, the Career Mentoring Project Committee started its activities.

The Project Committee consists of the following Rotarians and Rotaractors;

Chair of the D.2440 Career Mentoring for Rotaractors Zafer Menteşeoğlu

RC of Dokuz Eylül President Elect Metin Yorgancıoğlu

RC of Dokuz Eylül member Nilgün Tiyaşan

RC of Kültürpark member Özlem Bakan

RC of Bostanlı member Emre Kaynak

RAC of Dokuz Eylül member Tuğba Eneş

RAC of Efes member Yunus Mert Becermen

RAC of Efes member Emircan Karabulut

RAC of Efes member Umut Erdem

At the initial phase, an announcement was made to the D.2440 Rotaractors concerning applications for participating in the project. A total of 103 applications were received from various clubs of the district.

The project committee matched 81 Mentees with Mentors covering İzmir-Didim-Bursa areas.

Three sub-groups were defined taking into consideration the high number of participants and Mentoring Skills seminar was organized three times for all of the Mentors.

Following this, the "matching information" were mailed to the Mentors and Mentees, in accordance with the confidentiality issues. As of January 2022, all groups were matched and were ready to start their meetings.

The mentoring process continues for 4 months. During this period, we suggest that the Mentor and Mentees should meet at least 2 times / month, for a 1-hour meeting, thus having 8 meetings at the end. Our two rules are; having "a total of min.8 meetings" and all that are communicated between the Mentor and the Mentee should remain "confidential".

At the end of their first meeting, the Mentor and the Mentee together complete and sign the "Mentoring Agreement" form which they have received within the file they have been sent. With this agreement form, they mutually agree on the development goals they will focus on, confidentiality issues and the principles they will consent. This also provides for the transparency of the process for both parties.

The main subject areas for the meetings are within the framework of the issues on the agreement form, however, the program also advises some areas as a guide;

- Getting to know each other
- Self awareness
- Preparing a personal development plan
- Common issues and solutions on the related area
- Resources to contact within the occupational area
- Trends and innovations in the occupational area
- CV preparation and interview skills
- Assessments

The efficiency of the program is monitored by a Mentee Leader assigned for each group, who is also a Mentee within that group. The Mentee Leader reports the monitoring data to the Project Committee.

The Mentor and Mentee also fills in the Post-Meeting assessment form at the end of each meeting and share it with the Mentee Leader.

Within the program, there are two general training programs, namely Communication Skills and CV Preparation and Interview Skills.

The starting point of the project was to improve relations between Rotarians and Rotaractors and to develop the synergy of innovation and experience while our new objective is to transform this project into a sustainable Rotary Program and through obtaining an international dimension, to support the international career goals of our young people.

We believe that by including more Mentors into our pool of Mentors each year, we will be able to strengthen our program so that more Rotaractors will benefit from it. One of the important objectives of the program was to increase the synergy between Rotarians and Rotaractors and we find it meaningful that 25 different clubs of Rotary and Rotaract have participated in the project.

It is obviously very fortunate and important to have a Mentor at every stage of life...

Your "Mentor" helps you to look at your life events through a different window, you learn from your "Mentor's" experiences, you can assess your mistakes together and have the chance to turn them to opportunities.

Your motivation and commitment increases in line with this progress. Likewise, the "Mentor's" empathy and leadership skills improve working with the "Mentee" and in a period where everything changes quickly, the "Mentor" stays within the innovative developments.

In short, we have the motto "be a Mentor, have a Mentor" at every stage in life.

Our project committee awaits the applications from Rotarians to be Mentors and Rotaractors to be Mentees, desiring to join our program.

For applications;

District 2470 Organised a Zoom Meeting on DIE

District 2470 successfully organised a Zoom Meeting on DIE.

On Wednesday 12th of January, we organized a Synergy-Europe virtual event in Athens, with the theme 'Diversity, Equity and Inclusion'. More than a 100 attendees had the opportunity to enjoy our experienced speakers, Chief of Staff and CEO of R.I, John Hewko and Director Katerina Kotsali Papadimitriou. A top priority for Rotary is growing and diversifying our membership to make sure we reflect the communities we serve and are encompassing all cultures, experiences, and identities. A special appreciation to Chairperson Urs Herzog and Linda Gebser for their assistance. District Governor Mariza Economou for her input, PDG Maria Delivoria

for her incredible video and the team of 2470 R.D. Dimitris Bekos, Dimitris Kollias, Christina Kartsiotou and Panagiotis Katrougalos for all their help to make this meeting happen. See you all in the next Friendship Alliance Europe event on February 12, 2022 at 4:00 pm (Italy time) on the topic: "The Future of Rotary".

District 2452 Dubai RC is Taking Place at EXPO 2020

What is the Rotary Majlis of Friendship?

'Rotary Majlis of Friendship' is a smaller version of the House of Friendship where all Rotarians and Rotary clubs will have the chance to share and promote their projects and achievements with the rest by showcasing it with us at this venue. These will be listed under the major category of Rotary Areas of Focus and Programs. Each participating club will have the chance to showcase their project via multiple channels that include the Majlis of Friendship, virtually on our website www.rotaryexpo2020.com, the Rotary Expo Social Media channels which includes various hashtags. Additionally, they will get exposure on the official Expo2020 channels as well, that includes the website, TV, radio, scheduled events, newsletters, and social media among others. Moreover, each participant will be appreciated and published on the wall of recognition

What are we looking to achieve?

By participating in Expo2020 we believe we will achieve the following:

- build more awareness about Rotary
- attract more members worldwide
- promote projects done by Rotary clubs worldwide
- showcase the projects and achievements between clubs which might end up helping in raising money

for it, get more volunteers, grants, and global grants etc.

As our Rotarians are successful people in many fields in the UAE, we will also use this opportunity to provide our guests and participants (either in person while visiting the Majlis of Friendship or via the website) where to go and what to do in the UAE, how they can invest in the country, how they could start a business, buy a property, get a residential visa or business visa. We will even provide basic legal advice.

What we need from you?

We are looking for your help to publish some details and updates about our events and activities on the rotary.org website, the Rotarian magazine, and the monthly newsletters from districts and clubs plus social media channels.

Through the website, which will be updated daily, the Rotary Majlis of Friendship will have a newsletter every 2 weeks with all the events and updates happening with a list of the upcoming events at the Majlis and at Expo2020. Rotary International, Zones, Districts and clubs will have an opportunity to use our newsletter to promote themselves as well.

We will also have another channel for broadcasting the events and the speakers and this will be via Zoom meetings. This channel will provide a great opportunity to reach out to the maximum number of Rotarians, Rotaractors and guests. We are currently working on hosting a variety of high-end speakers both nationally and internationally to enrich the visitor's experience.

How can you participate with us? There are many ways you can be part of this exciting once-in-a-lifetime opportunity. Here are some of the ways.

- As a starting point, visit us at the Majlis of Friendship
- Share your projects details and links to our social media and website to help direct the traffic towards it
- Support us by recommending speakers
- Host one of your weekly meetings at the Majlis of Friendship
- Book the Majlis or part of it for your club use for few hours up to a full day

District 2470 Supporting Communities - Zakynthos RC

On Wednesday 7/7/2021 the Rotary Club of Zakynthos delivered new rescue equipment to the Zakynthos Fire Department. The donation was received by the Chief, Fire Colonel Spyros Pavlogeorgatos and real-time demonstrations of its uses were performed. The new rescue tool is a strong addition to the F.D.s arsenal and insures the timely and effective freeing of road accident and disaster victims, such as of earthquakes. The specialised Resqtec tool enables the release of victims within a few minutes wherever as it is fully portable and autonomous (battery operated), has light weight and is powerful. Such equipment is absolutely necessary given the touristic and seismic nature of the island. It is important to mention the project was made possible thanks to the co-financing of the 2470 Rotary District and the support of island volunteer groups and individuals who contributed heavily. Their fruitful efforts resulted in the equipment being purchased in less than a year.

District 2452 Salmaniya RC Organized a Three Day Summer Art ...

Salmaniya RC of District 2452 organized a Three Day Summer Art Program for the Bahrain Deaf Society on July 25th-27th 2021.

- Day one was an art painting workshop with Past President Seema Baqi coordinating the session.
- Day two Rotary member Reham Yusuf coordinated the ceramic mosaic art workshop on July 26th.
- Day three the 27th of July was the final day where a recycling and clay workshop was coordinated by Salah Bushehri.

The Chairman of Bahrain Deaf Society Aqeel Ali Hasan gave his gratitude for organizing such a wonderful and enjoyable program. All Bahrain Deaf Society members enjoyed and benefited greatly. A great friendship between the two organizations has been developed.

Follow the link to see a video summary of the three-day workshop:

<https://youtu.be/yIfmIQ7m1KM>

On the 11th of August 2021, the Rotary Club of Salmaniya organized an award ceremony to recognize the participants who made the Art Summer Program a great success. The award ceremony was organized as a hybrid of virtual and physical settings. Five members from the Rotary Club of Salmaniya attended the Bahrain Deaf Society's office to personally hand the awards to the managing team of the Bahrain Deaf Society. The other Club members attended the event virtually to experience the event safely and within the current government health guidelines.

First Virtual International Assembly Completed

RIPE Shekhar declared 2021-2022 Theme as "Serve to Change Lives" International Assembly will continue until 11 February.

Incoming Rotary International President **Shekhar Mehta** urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, revealed the 2021-22 presidential theme, *Serve to Change Lives*, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors-elect, was originally set to take place in Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic.

Mehta spoke about how participating in service projects through Rotary changed him as a person and made him empathize more with the needs of others. Soon after joining his club, he helped carry out projects that benefited rural communities in India.

Some of the poor conditions he saw in those communities strengthened his commitment to service. "I truly understood the plight of my brethren," he said.

Mehta participated in initiatives that brought artificial limbs to children, clean water and sanitation to homes, and better health care facilities to communities.

"Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me and I, like many others, adopted the guiding philosophy that 'Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.'"

Mehta encouraged district governors-elect to lead by example during their term and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He's asking each club to conduct a Rotary Day of Service.

"At the end of your term as district governor, you should feel that because of your leadership, because of your inspiration to Rotarians and Rotaractors, the world has changed for the better because of the service done by them during the year," he said.

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary's belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work.

"There are many issues that girls face in different parts of the world, and you as leaders will ensure that we try and mitigate the disadvantage of the girl that they may have," he said.

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. "And that should excite you," Mehta said. "Rotarians love challenges."
