Welcome to the Rotary International New Zone 21 Web Page

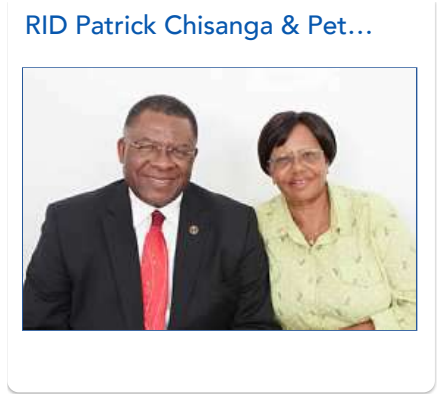

This web page is created for sharing information between Zone 21 officers and fellow Rotarians.

RI President Jennifer Jones...

Zone Map

Message from RID Patrick ...

My wonderful Rotary family in Zone 21.

Today we begin our journey together in the new Rotary year. I want to take the opportunity to thank PRID Katerina for her leadership over the last 2 years.

Today I want you to look ahead and imagine what we can do together, for our disadvantaged communities. At the Regional TEAMS Training Seminar in Budapest, I asked you to set some Challenging goals for the year ahead. Our job now is to dedicate ourselves to the attainment of those goals. I look forward to seeing you all in Limassol in November to review our goals.

Patrick and Petronella

Actual Announcements

Our Actual Annonouncements for Meetings and Activities can be followed from this column.

ROTARY'S VISION STATEMENT

TOGETHER WE SEE A WORLD WHERE PEOPLE UNITE AND TAKE ACTION TO CREATE LASTING CHANGE ACROSS THE GLOBE IN OUR COMMUNITIES AND IN OURSELVES

As we stand on the cusp of eliminating polio, we find ourselves poised for our next challenge. The time is right to move toward realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world.

To achieve the vision of Rotary International and The Rotary Foundation, we have set four priorities that will direct our work over the next five years.

ROTARY'S STRATEGIC PRIORITIES AND OBJECTIVES

INCREASE OUR IMPACT	EXPAND OUR REACH	ENHANCE PARTICIPANT ENGAGEMENT	INCREASE OUR ABILITY TO ADAPT
<ul style="list-style-type: none">• Evaluate polio and leverage the legacy• Focus our programs and efforts• Improve our ability to achieve and measure impact	<ul style="list-style-type: none">• Grow and diversify our membership and participation• Create new channels into Rotary• Increase Rotary's openness and appeal• Build awareness of our impact and brand	<ul style="list-style-type: none">• Support clubs to better engage their members• Develop a participant centered approach to deliver value• Offer new opportunities for personal and professional connection• Provide leadership development and skills training	<ul style="list-style-type: none">• Build a culture of respect, innovation, and willingness to take risks• Diversify governance structures and processes• Foster governance to foster new ideas perspectives or decision-making

The poster for the Rotary International Convention 2023 in Melbourne features a dark background with colorful, stylized diamond shapes in red, orange, and teal. These shapes contain various images: a smiling woman, a group of people cheering, a city skyline with a bridge, and a globe. The text 'IMAGINE OPPORTUNITIES' is prominently displayed in large, bold, yellow and orange letters. Below this, German text encourages attendees to discover new solutions and resources. The event details 'ROTARY INTERNATIONAL CONVENTION 2023 MELBOURNE 27. - 31. MAI' are listed in yellow and orange. A QR code is provided for registration, with the website 'Anmeldung bei convention.rotary.org/de' mentioned below it. The Rotary logo and 'MELBOURNE 2023' are at the bottom left.

IMAGINE OPPORTUNITIES

Entdecken Sie auf der Rotary International Convention neue Lösungswege, um die dringlichsten Herausforderungen der Welt anzugehen. Die Convention bietet Tools, Ressourcen und Netzwerke, um bei sich vor Ort und überall auf der Welt etwas zu bewegen.

"It's not how much we give but how much love we put into giving"
 On Thursday, December 29, the Rotaract Club of Athinai - North and Rotary Club of Athinai-North collaborated to collect and distribute toys and gifts to the hosted Children at the Athens Children's Hospital "P. & A. Kyriakou". Special Thanks to Marzimanu Marzipan for the amazing marzipan Christmas trees.

Voula-Panorama Rotary Club of District 2475 visited the female prisons in Thebes(120 km away from Athens), which are the only prisons in Greece where mothers are kept with their children. The children are either born inside the prison or enter with their imprisoned mothers and they remain there until the age of 3 years. The club offered items which are necessary for their daily life and some toys.

District 2452 Rotary Christmas Walk - Salmaniya RC

The Rotary Clubs of Salmaniya and Adliya jointly organized a tour of the old Manama Souk in Bahrain. Rotarians PP Mohamed Salahuddin, PP Zohar Taherbhai and friend of Rotary Nabeel Ajoor all spoke about their experiences growing up in that area. The attendees experienced the historical significance of the old Manama first hand, finding hidden gems along the way. The aim of the activity is to highlight the historical and cultural importance of the Manama area, promoting the peaceful coexistence in the community. District 2482 Hospital Project - Dobrich RC

Tympanometer is provided for the Regional hospital by Rotary club Dobrich. The new medical equipment will be used in the ENT department of the hospital. The device is suitable for children and is used to diagnose diseases of the middle ear. The new device is a donation by Rotary Club of Dobrich, family and friends. Stefan Rusev, RC Dobrich president announced that this is the final stage of a Rotary's cause. It is a second donation to the hospital department. Last spring, Rotarians donated a hearing diagnostic device to every newborn. Now, an appropriate prevention may be applied.

District 2482 Media Awards

The Recognition is a twin respect
During previous Rotary Year, the year of changing lives, D2482 Team has decided to reward the local and national media. Clubs have selected those that they worked in a close partnership with. Each club received a template signed manually by the DG (PDGimmediate) Borislav Kadrev to be submitted to partner media. Some of the most active websites, national and local media – TV, newspapers, etc., received a special reward. The result was fabulous. Within one month some of the club presidents were invited to be interviewed and to tell about the future plans and projects.
You can't make media tell about you, if there is nothing to be told. The clubs have learned through the years how to tell stories that would be published. Local media are invited to take part in events and projects as active partners. They are professionals and would always find the Story. We have been looking for local media to tell local news and tell national media the facts that would make them more interesting to the public. Respect the media audience. Do not expect a sport media to tell about a concert or ecology problem, if it does not meet the editorial strategy. Study the standards of each national media and respect it and your story would be respected. The result is more than 3000 publications every year that make Rotary clubs activities popular in their communities.
The good news is something that would hardly attract the attention of general audiences. Still, when the information is about solving a problem of local community, or about initiative that would add value to human life, it would focus the attention.

District 2482 Tryavna Concert - Gabrovo RC

Gabrovo Rotary Club of District 2482 has created and supports "Sewing, Creativity and Entrepreneurship" class for young students, age 13-14, in Tryavna town. The aim is to teach children applied craft and art. On 10.12.2022 Rotary Club Gabrovo in partnership with Tryavna municipality organized a charity concert. The cause of the event was raising funds for the purchase of an overlock machine and consumables for the learning process of the children in the class. Funds were collected in Rotary boxes from the citizens of Tryavna town. The children taught in the class donated Christmas stars sewn by them. Tryavna is an ancient town, located in the middle parts of Balkan Mountains. It is famous for its architecture as well as with Tryavna Art school. The climate attracts many tourists all around the year.

District 2482 Holy Night Concert - Gabrovo RC

Holy Night concert has been inspired by Rotary club Gabrovo in partnership with Gabrovo Municipality and the local episcopal vicarage. The event was on 18 Dec 2022. The young singers of boys' choir of Rotary club Gabrovo, kids from Yavor kindergarden, Radost kindergarden were the main artists. The church choir demonstrated great professionalism. The head of the local church and Tanya Hristova, Gabrovo Mayer greeted the public and the gifted singers. There were presents for everyone – sweets and Christmas stars, drawing sets, cups prepared for the event, and a flash drive with pictures and videos from the concert "30 Years Rotary in Bulgaria Again".

District 2475 Supporting Education - Kerkyra RC

When we look back, we consider the long way we did since our club's charter, back in 1962. One of the oldest local projects, held yearly in December, has to do with young musicians, studying in each one of the three Philharmonic Societies of Corfu town (Kerkyra) and the Children Choir. Aiming to those teenagers who excelled at their musical instrument studies, a special ceremony is held by Kerkyra Rotary Club of District 2475 in honor of them, where a certificate of merit is presented to each one of them together with a prize of 400 EUR. Every time, a distinguished guest is presenting the audience a short lecture relating to music. This year's guest was Prof. Anastasia Siopsi, President of the department of Music Studies of the Ionian University, who spoke about "the uniqueness of Music as a way of expression". The photos are from the ceremony and the following gala in honor of the students and their parents.

Excellence isn't just a word for us Rotarians. Kerkyra Rotary Club, goes a step further, by constantly supporting young people to accomplish their dreams, offering them scholarships. This event though, held in three different days (1, 4 & 5 December), during the graduation ceremonies of the Ionian University, has to do with distinguished students, who made excellence a part of their lives. Rotary Club of Kerkyra offers for almost a decade now, special prizes to those students of Ionian University who were given the highest marks in their diplomas. Three bright young persons, one from each Faculty of the Ionian University, are the recipients of a distinction offered by RC Kerkyra, together with a prize of 500 EUR each. The photos are from this year's graduation ceremonies.

District 2475 Supporting Communities - Kostis Palamas RC

An excellent initiative undertaken by the Kostis Palamas Rotary Club of District 2475 in Patras, at the region of Achaia in Greece. This initiative entailed important impact to the local community and took place on Sunday, November 6, 2022. A medical team composed by an Orthopedist, Pathologist, General Surgeon, and Ophthalmologist examined free of charge over fifty residents of the Vlasia village of the region of Achaia. The Club's members Yiannis Karamouzis and Athena Tzenevrakis provided the equipment for the ophthalmological examinations and offered free prescription frames and lenses to the examined residents

District 2452 Permaculture Educational Activity Day - Salmaniya ...

The Rotary Club of Salmaniya and Learn to Grow jointly organized a Holistic Farming Educational Activity Day for the beneficiaries of Dreams Society and The Friendship Society of the Blind with support from the newly chartered Rotaract Club of Muharraq. The program is a "hands-on" activity designed for children to interact with nature and learn about permaculture, plants and animals located in Bahrain. Activities include community circle, art workshop and a music movement. The event ended with the attendees waving the Bahrain flag in celebration of the National Day of Bahrain. Many thanks goes to Ms Reem Yateem owner of Learn to Grow and her team for their support in creating and coordinating the activities of the outdoor event.

District 2475 Supporting Communities - Preveza RC

November, 25th, 2022, Donation-in-kind to the Municipal Library of Preveza, In Memory of Doctor Ioannis Georgiou, In the context of the events to celebrate the 33rd Anniversary of its foundation, and as a continuation of previous related initiatives, Rotary Club of Preveza proceeded to implement the first phase of its Program for the continuous support of the Municipal Library of Preveza. During this phase, the delivery of the first part of the Donation of the Medical Library which belonged to the deceased Doctor and Rotarian, member in life of the Rotary Club of Preveza, Ioannis Georgiou, took place. This collection, which includes approximately 200 scientific writings, came into the cars of the Club following the relevant wish of the wife of the deceased, Julie Georgiou, also member of our Club, with the aim of its proper utilization and subsequently and by agreement, the donation of this to the Municipal Library after an unanimous of the Rotary Club. The receipt of the Donation and the signing of the relevant Protocol took place at noon on Friday, November 25th, 2022, in the office of the Municipal Library. On behalf of the Municipal Authority, the Donation was accepted and welcomed by the President of the Municipal Council and by subject responsible for Municipal Library's issues, Leonidas Argyros, also Rotarian and our Club Secretary during the current period, but also a close friend of the deceased. The following is the Statement of the 2021-23 President of the Rotary Club, Vissarion Zachos, PDG, upon handing over the Donation:

"My dears, you see that in the first box of the Donation I come up a great book with the title "Trauma" and this not by chance! I have done it because that is what happened to us! Exactly two years ago, in November 2020, our local community, as well as our Rotary Club, suddenly experienced a tremendous loss. It is about the loss due COVID-19 of the brilliant physician scientist, surgeon of our Hospital, Ioannis Georgiou... One of our excellent fellow citizens, well known beyond his scientific contribution and for his belief and dedication in high moral principles and values, as well as for his humanitarian action in practice and his contribution to society, the obvious in public, and also the less known, but well known to us in our Club Ioannis Georgiou passed away while he had already been elected as the incoming President of our Club for the current period 2022-23. For this reason, we the Rotarians of Preveza are here today, i.e. as continuators of his own humanitarian and philanthropic action. But not only for that! At the same time, with our presence here and with our offer, we are fulfilling the very noble wish of the wife of our deceased fellow Rotarian, Julie Georgiou, with whom jointly decided to donate the rich Medical Library of Ioannis to the Municipal Library of his beloved hometown, so that the Knowledge through it will henceforth be available to the Public of our region. The Donation in Memory of Ioannis Georgiou, which is contained in six big boxes, consists of approximately 200 volumes of medical books of various specialties. These come from his studies in Greece and the USA, but also from his constant updating on modern developments in his scientific field, with an emphasis on surgery. Mr. Representative of the Mayor, please accept our donation and use it for the benefit of our local community, as soon as possible and in any way you deem appropriate. On our behalf, we remain at your disposal, faithful to

our commitment of Service Above Self, as an actively progressive entity in our beautiful city!
Warm congratulations on the decision and equally warm thanks for the noble offer to the lovely Julie! May his soul rest in peace and may the Memory of the unique and excellent Ioannis be eternal!"

District 2475 Supporting Communities - Alexandroupolis RC

During a special ceremony that took place in 07 November 2022 in the facilities of Special School of Alexandroupolis, Alexandroupolis Rotary Club presented the completed project of installation of retractable, transparent, synthetic covers on the sides of a gazebo in the school's yard. With this donation, Alexandroupolis's Rotary Club, loyal to the Rotary's philosophy of social engagement and offer, responded to the urgent needs of such an important institution. The result is a well protected and pleasant space for the students, the teachers and the rest of the staff of the school, which promotes and facilitates outdoor school activities all year long. The students, along with their parents, the teachers and school's staff, members of Alexandroupolis Rotary Club and the city's mayor Mr. Ioannis Zamboukis honored the ceremony with their presence.

District 2452 Organised the "Polio Talk" Virtual Panel Discussion...

In observance of World Polio Day, the Rotary Club of Salmaniya organized a virtual panel discussion called "Polio Talk" on the 24th of October 2022. The discussion was on the continuing efforts of Rotary to eradicate Polio which included participants from all over District 2452. The panel members were PDG Lorenzo Chazapis the EPNC of Region 25, PP Bashar Asfour the District 2452 Chairperson for Polio and DDG Nazha Abu Hendi the Bahrain Chairperson for Polio, and the panel was moderated by PP Faisal Juma from Rotary Club of Salmaniya. At the end of the session, all the participants made the "this close" gesture to remind everyone of the important work Rotary is doing to eradicate polio. The "Polio Talk" virtual panel discussion is now available on the Rotary Club of Salmaniya YouTube channel, kindly include the video on the website.: https://youtu.be/u_C7_7bX-YQ

District 2482 Amblyopia Screening Project - Sofia Triaditsa RC

Amblyopia Screening for children under 7 Project

People of Action

Rotary Club Sofia Triaditsa, Rotary ID: 88428, is the first club in District 2482, Bulgaria, that has been created by active Rotarians and former members of Rotaract clubs, Interact clubs, Rotary alumni and other fellows. We are devoted to Rotary core values. We are aware of the importance of Rotary Foundation focus areas. Rotary Triaditsa club members are proud to be part of our International network organization and serve to change lives in local communities.

The long term programme of Rotary club Sofia Triaditsa incorporates projects that target children's healthcare and disease prevention. We are working hard to improve hospital conditions and provide technology and equipment in regions with poor economic development. And we encourage all our members and fellows in neighbor clubs and partners to participate.

Why Amblyopia?

Amblyopia is a sight disorder which can be successfully treated if detected in early childhood. If left undiagnosed it can interfere with the possibility of the child practicing professions such as pilot, architect, surgeon etc., in the future.

A profound research performed by our club highlighted the need for an information campaign among parents and educational establishments. It also showed the importance of performing the relevant eye exams for all kids under the age of 7 in order to help early detection and prevent long term damage.

Tradition and Success

In this project we partner with a team of ophthalmologists from a leading hospital in Bulgaria – Lozenets University Hospital and students in Sofia University majoring in Optometry. We have been conducting this project for six consecutive years. In each one of the selected kindergartens, the prevention of amblyopia includes vision measurement and well as tests for visual acuity, colour and three-dimensional vision. In each edition of the project we manage to examine about 1500 children and refer the ones that need it to a hospital check-up and a treatment.

Get Involved

Friends from other Rotary clubs in the District 2482 and partner organisations have also recognized the importance of our project. They have adopted and implemented it in their local communities which helps the project have an even more sustainable impact. In connection with this, we have made a guide with the steps for implementation of "Prevention of Amblyopia" – all that is needed is a lot of dedication, a little bit of your time and a few friends!

"In a single day we were able to change the lives of dozens of children!" — Club member

"I love this project as it has huge impact in our local community. Volunteers, medical specialists and local authorities work together towards this goal." — Club member

AMBLYOPIA SCREENING

- Condition identification
- A medical partner: a professional medical team working together with some aspiring students
- A local partner: the local administration and the administrative authority
- An event to promote the project and raise funds for additional mobile equipment suitable for performing the relevant tests for children.

District 2482 Supporting Communities - Rotary & Rotaract Clubs...

The Sofia Balkan Basketball team for people in wheelchairs, by Rotary and Rotaract clubs Sofia Balkan

#D2482 Enjoy the Movement!

Before the #DEI ideas have become popular, Rotary Club Sofia Balkan and Rotaract Club of Sofia-Balkan were already working to support it. The Basketball Club for Wheelchair Users helps integrate disadvantaged people and makes them full members of our society.

Rotarians devote their time, energy and passion to sustainable and long-term projects to change life to better in local communities.

Rotary and Rotaract Club Sofia-Balkan adopted the idea of their friends from Rotaract Club Belgrade – Metropolitan. The latter had successfully installed and developed a local wheelchair basketball club for years.

In 2007, Rotary and Rotaract clubs Sofia Balkan established the non-profit association – Sofia-Balkan Basketball Club for People in Wheelchairs with the partnership of Bulgarian Basketball Federation and The National Sports Academy.

In 2009, Rotary Club Sofia Balkan managed to organize a training seminar with European Wheelchair Basketball Federation (FIBA) coaches. This event has given a great burst to the future development and success of The Basketball Club.

The seminar was run by Ron Coppenad, FIBA Secretary and Luc Vergososen, coach of the Dutch national team for men up to 22 years and FIBA official commissioner.

At the end of the summer of 2009, coach of the Dutch basketball team, Luc Vergososen, returned to Sofia to help further team development. A training camp for the players was organized. These days of intense training developed skills and abilities for each player, strengthened the team, gave courage and confidence. The team was inspired to play and to achieve greater results in wheelchair basketball.

In 2015 Darko Shovan, international basketball referee and member of the Rotary Club Belgrade-Metropolitan, was a trainer at a seminar.

Nowadays, the basketball team has regular training every Tuesday and Thursday at 20:00. in the adapted wheelchair hall at Vasil Levski National Stadium. Coaches of the team over the years are Assoc. Prof. Krusty Tsarov, Martin Vutov and Vladimir Iskrov, who is the coach of the team at the moment.

Partners

Over the years, Rotary and Rotaract Club Sofia-Balkan have been able to attract various partners such as: the Ministry of Youth and Sports, the Bulgarian Basketball Federation, the National Sports Academy, the Dutch Basketball Federation, the Civil Rights Choice Association, the People's Agency Disabled / ASH /, Mayor of the Studentski region. Businessmen, businessmen and sportsmen, including Konstantin Papazov, Philip Videnov, Stefan Georgiev, Sasko Vezhenkov and others.

As a result of the activities of the footballer team, the Ministry of Youth and Sports established a consultative center in the building of the National Stadium "Vasil Levski", which helps people with disabilities. The Center supports and develops programs and projects of non-governmental organizations.

Sponsors

Various corporate sponsors have also helped develop the team over the years. Some of them are DHL, Bulgarian sports totalizator, Telerik, Bulgartabac, Raiffeisen Bank, KFC, Domestina.bg and others. Since the creation of the basketball team, Rotary and Rotaract Club Sofia-Balkan have recruited and raised funds through funding through club projects, donations by club members, lotteries, and club affiliate auctions.

Other teams in Bulgaria

Thanks to the popularity of the Sofia-Balkan team, Rotary and Rotaract clubs in Varna and Burgas would like to establish similar teams. Thus, Rotary and the Rotaract Club Sofia-Balkan promote initial guidelines and advice on the creation of the next basketball teams for wheelchair users.

Matches and Tournaments

After the training camps in 2009, the Sofia-Balkan basketball team managed to organize a demonstration match with the Serbian basketball team for people in wheelchairs – Dunav, from the city of Belgrade.

In 2011, the teams of Sofia-Balkan and Varna organize a demonstration meeting in wheelchairs for wheelchair users. The match is on the upcoming Paralympic Olympics in London, UK in 2012. The event was initiated by the International Par Olympic Committee. The Sofia-Balkan team is ranked first.

In the same year, the Sofia-Balkan team also participated in the first Balkan tournament for wheelchair users in Romania. The event is attended by the teams of Sofia-Balkan (Bulgaria), Oradea (Romania) and the team of Poland. The Bulgarians ranked second in the tournament, organized for the seventh consecutive time by the Romanian basketball team.

In 2015, for the first time a basketball tournament for people in wheelchairs for the Cup of Sofia Municipality is organized. Organizers are Sofia Municipality, Sofia-Balkan Rotary Club, basketball club for people in wheelchairs Sofia-Balkan, Bulgarian Basketball Federation and NSA. The purpose of this tournament is to promote basketball for people in wheelchairs; to contribute to the improvement of physical and mental health and the full integration of the athletes; to attract public attention, support and new athletes, and to lay the foundations for the formation of the first national basketball team for wheelchair users.

Professional basketball team for people in wheelchairs

In 2017, the basketball team of CSKA takes over 8 of the best competitors in Sofia-Balkan. The transfer is a first step in the strategy of the Rotary Club Sofia-Balkan to popularize the game among wheelchair users and transform it into a mass sport.

Awards

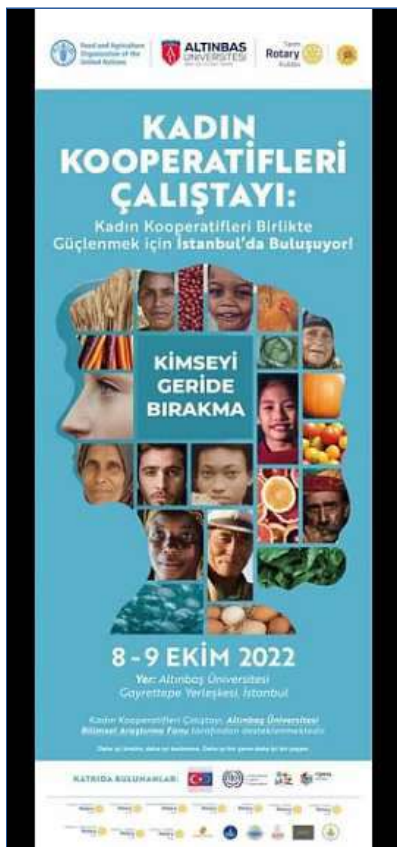

For their joint initiative – wheelchair basketball teams, Rotaract Club Sofia-Balkan and Rotaract Cult Belgrade-Metropolitan win first prize at the Twin Clubs' Award for 2010, which is organized every year by the European Rotaract Information Center (ERIC).

This autumn, 2022, our Basketball Team has participated in the in the International Tournament and won 3rd place among 6 teams – from Bulgaria, Bosnia and Herzegovina, Poland, Serbia and Turkey.

All the matches have been streamed on YouTube channel of Bulgarian Basketball Federation

Due to the complex mobility of wheelchair players, the maintenance of regular trainings, wheelchairs and halls, teams of trainers and specialists are constantly looking for partners and sponsors who can provide the means to better develop this sport.

We would like to get in touch with Clubs and District that are ready to invest in similar projects. Any support, advices and sponsorships, as well as joint projects are heartily welcome.

Inauguration of the 9/11 Memorial "Memory and Friendship" fr...

In honour of the victims of September 11th in New York, Rotary Club of Peja on September 11th, 2022, has inaugurated the 9/11 "Memory and Friendship" Memorial, the only one in Southeast Europe. This Memorial features an authentic steel beam from the Twin Towers in New York donated by the New York Fire Department. This event has been broadcasted by national and international media, including Voice of America. Please see below the opening speech by Arbër Asllani – Paul Harris Fellow, President of Rotary Club of Peja 2022-2023.

Speech by Arbër Asllani, Paul Harris Fellow Rotary Club of Peja, President 2022-2023

Welcome to the inauguration of the 9/11 Memorial – Memory and Friendship
We will start with the Flag Ceremony and playing of the national anthems of USA and Kosovo and the Rotary International anthem.

Dear Minister of Defense of the Republic of Kosovo Mr. Armend Mehaj, Defense Attaché of the United States Embassy in Prishtina Colonel Darrick Mosley, Mayor of Peja Mr. Gazmend Muhaxheri, Head of Mission of Romania in Prishtina Mr. Ciocănea, Founder and Charter President of Rotary Club of Peja Dr. Neshad Asllani, distinguished guests, ladies and gentlemen, dear fellow Rotarians, I invite you to a moment of silence, to remember the victims of the 9/11 terrorist attack. (Ring the Rotary Bell)

We are gathered today to fulfill our collective promise to Never Forget, to take part in active remembrance, and recognize how we are all connected to one another underneath the same big sky.

Two decades have passed from September 11th, 2001, a new generation has been born and grown up, 9/11 is no longer just an experience lived, but history learned. Many things have happened, both in our personal lives and in the world around us, and yet at the same time, 9/11 still feels like yesterday. We only have to mention the date, and people instantly flash back to that date in 2001, 21 years ago. History will always be divided into the world before 9/11 and after it.

New York City is almost 7,400 Km far away from Peja, but on that particular day, September 11th, 2001, it felt closer, because tragedy unites people. Today an authentic steel beam from the Twin Towers is in Peja, in this memorial and it will always stay here, to remember the tragic loss of innocent lives and to remind us of the connection between our two nations.

Today, Rotary Club of Peja is inaugurating the memorial "Memory and Friendship", and we are proud to have built the first Memorial in Southeast Europe with an authentic steel beam from the Twin Towers, donated by the New York Fire Department. We appreciate Mr. Carl Scheetz and the Fire Department of New York, Municipality of Peja, ELSA Group, Immigrant Studio and all those who have contributed to build this unique memorial that will further strengthen the friendship between Kosovo and the United States of America.

Today, we pause to reflect on the barbaric attacks that took place on 9/11 and to remember the victims, almost 3,000 people from more than 90 countries who lost their lives at the World Trade Center, the Pentagon, and in rural Pennsylvania.

Today, we remember the emergency workers, police and firemen who still bare the physical and mental scarce of that day. But, there is a lesson learned from that day: we learned from this tragedy that life is short and there is no time for hate. We owe it to the victims of 9/11, to the veterans and to our future generation to continue protecting our way of life, so that evil will never triumph. God Bless America and God Bless Kosovo! Thank you!

District 2475 Organised a Rotary Day - e-Club of South Greece

Rotary e-Club South Greece of District 2475 organized a Rotary Day on 26 September within the frame of Rotary Days organized a series of events in the city of Serres. On Monday morning the Club offered through the social kitchen of the Municipality of Serres a meal of love. The above service of the Municipality brings food daily at the house of about 300 citizens. In the evening of the same day, at the Chamber of Serres, while filled with people, the club gave the award of businessman of the year to Mr. Petros Atsalos, an award to the Social Kitchen of Serres' Municipality for their social service and to the Chamber of Serres for their contribution to the local business initiatives.

Additionally in memory of the Polio day they painted the little finger of their hand for the whole day. So in this way when they were asked about the reason for this move, then they took the opportunity to inform about World Polio Day. Rotary, the Rotary Foundation, its purposes and programs and of course the End Polio Now program. Also, all the members who took part in the campaign, sent a photo of their painted finger to be made into a poster that will be sent to all mass media to inform the public about Rotary and Polio program.

Golden Leaf Festival in Kosovo

THE TRADITION CONTINUES - GOLDEN LEAF FESTIVAL GLF 2022 Rotary and Rotaract Club Peja invite you to visit Peja and enjoy the natural leaf color change, taste traditional food, and experience the hospitality of the people of Peja.

TRADITIONAL ANNUAL FESTIVAL

Where: Peja - Kosovo

When: October 08 - 09 and October 22 - 23, 2022 The theme of the Golden Leaf Festival 2022 is LEAF, WATER and AIR.

GOLDEN LEAVES FESTIVAL OVER THE YEARS:

- GLF 2015 – The First Golden Leaf Festival, participation from the Rotary Clubs of Kosovo.
- GLF 2016 – The Second Golden Leaf Festival - Rotarians and artists from 7 European countries participated with stunning photos.
- GLF 2017 – The Third Golden Leaf Festival - Rotarians and artists from 4 Continents: Europe, Asia, North America, and Africa, shared with us the beauty of leaf color change in their countries.
- GLF 2018 - Rotarians and artists from 18 countries, including participants from the continents of Australia and South America, shared with us the beauty of nature during the month of October.
- GLF 2019 - in addition to beautiful photos from around the world, in GLF 2019 categories for poetry, songs and paintings were added to the competition.
- GLF 2020 and GLF 2021 – were not held due to the COVID-19 pandemic.

THE TRADITION CONTINUES - Golden Leaf Festival (GLF) 2022 This year, the Festival will be organized in two time periods:

- October 8 and 9 – Inauguration of the festival and photos with the first leaf color change in Autumn.
- October 22 and 23 – Photos from the golden transformation of the leaves and announcement of the winners.

Rotarian friends and artists, you are invited to submit photos and artwork from your country. You are also welcome to visit Peja, and together with Rotarians and artists from Peja, enjoy the beauty of nature, water, and fresh air in the mountains of Rugova in Peja.

For international Rotarians, accommodation will be provided by the Rotary Club of Peja.

The three best photos, paintings, poems, and songs will be selected.

Rotary Club Peja welcomes you!

To register for participation or send your photos, please contact:

Email: info@rotaryclubpeja.org

Phone: +383 49 636 111

District 2475 Organised a Rotary Day - Rotary e-Club South Gre...

Monday 26/9 the Rotary Day by the Rotary e-Club South Greece of District 2475 within the frame of Rotary Days organized a series of events in the city of Serres. On Monday morning the Club offered through the social kitchen of the Municipality of Serres a meal of love. The above service of the Municipality brings food daily at the house of about 300 citizens.

In the evening of the same day, at the Chamber of Serres, while filled with people, the club gave the award of businessman of the year to Mr. Petros Atsalos, an award to the Social Kitchen of Serres' Municipality for their social service and to the Chamber of Serres for their contribution to the local business initiatives.

District 2475 Public Image Workshop Completed Successfully

The Rotary members who transform our values and virtues into action- representatives of ethos within our society -always move towards actions and these actions speak directly and loud, such as the one on 25/9, our Public image workshop which was undertaken and organized by RC Athinai-Lycavittos, under the aid of 2475 District. It was truly a highly constructive Rotarian meeting, from the ones that should be frequently repeated.

District 2475 Organised a DEI Event and PI Workshop (Article b...

In view of the DEI and Empowering Girls event in Athens, I had the pleasure to host in Athens our RPIC for Zone 21B, as well as one ARPIC and one Member of the DEI Committee of RI.

On Thursday, September 22nd, early in the morning, ARPIC May Monla with her husband Mohd Chmaytelly arrived in Athens, and in the afternoon RPIC Nijad Al Atassi arrived.

May with her husband visited the Museum of Natural History – Goulandris, and had lunch, hosted by me. Diner, also hosted by me, took place at Yacht Club of Greece with the participation of Chairperson of Public Image 2475RID, ARC Zone 21B and PDG Dora Kemou and her husband PAG Nikos, the PAG Panagiotis Katrougalos and myself accompanied by my husband Makis. On Friday, September 23rd, Hasan Akbayrak, E/MGA 2021-2024 Zone 21B, DRFC 2021-2024 D 2420, DEI Committee Member 2021-2023 arrived in Athens. All our guests visited the Akropolis Museum and had a guided tour by rot Dora Spachi, (RC Athina Lycabettus) accompanied by: Chairperson of Public Image 2475RID, ARC Zone 21B and PDG Dora Kemou, DGE Dimitris Bekos, President RC Athina Lycabettus Tereza Delia, PAG and PP RC Koropi Maria Mastora, pP RC Kifisia Kastri Vicky Katsari, Inner Wheel Officer Kiki Nikolopoulou and myself. Lunch took place in ATTIKOS restaurant, with Akropolis view, hosted by rotarians present. In the afternoon, at the Athenian Club the DEI event took place. On Saturday, September 24th, our planned excursion took place. Our guests, Nijad, Hasan, May and Mohd, accompanied by past Director Zone 21 & 22 Katerina Kotsali, the undersigned, the Chairperson of Public Image 2475RID, ARC Zone 21B and PDG Dora Kemou, rotarian Athina Roussi (RC Marathonas – Nea Makri) and PAG Maria Mastora (RC Koropi) visited the Canal of Korinth. Our next stop was the Rio Bridge and its museum (near Patras) and finally the Achaia Claus Winery in Patras with its museum and the “Rotary” barrel, hosted by RC Patras. Light lunch, wine degustation, speech of local Authorities, Greek dances by folklore association of the region and gifts, all arranged and offered by RC Patras. I warmly thank the members of RC Patras for their contribution. On our way back in Athens, we stopped in Ancient Korinth for coffee, where we met with members of RC Korinthos who I thank for their time. The day ended with a diner hosted by Chairperson of Public Image 2475RID, ARC Zone 21B and PDG Dora and her husband PAG Nikos, in a local tavern near the hotel. On Sunday morning the workshop of Public Image took place. It was organized by Chairperson of Public Image 2475RID, ARC Zone 21B and PDG Dora and the undersigned. After the workshop, we drove to Tymvos Marathon, where we had an extraordinary lunch, in front of the sea, offered by RC Marathonas – Nea Makri in honor of our guests Nijad, Hasan, May and Mohd. Also present were: Past Director Zone 21&22 Katerina Kotsali, PAG Maria Mastora, and from RC Marathonas – Nea Makri, President Kyriakos Spanopoulos with his son Stelios, secretary Athina Roussi with her husband rotarian Nikos Fournarakis, treasurer Kyriakos Spiropoulos with his wife Despoina. We left Marathon delighted with their hospitality. My wholehearted thanks the members of RC Marathonas-Nea Makri and wishes for the achievement of their goals. On Monday, September 26, we farewell Nijad at the airport and along with my husband we hosted May and Mohd by visiting the Temple of Poseidon in Sounion. Lunch took place in a fish tavern at Sounion, having as guests past Director Katerina Kotsali and her husband as well. We farewell May and Mohd at the airport late at night. All those days, and in all events, we had the pleasure to have as “photographer” Mohd Chmaytelly the husband of May. I must thank him for all the great pictures he took during these days. All our guests left Athens with the best impressions of both our country and the Greek Rotarians. Many thanks to you all for your contribution to a successful and unforgettable event.

District 2483 Organised a Rotary Training Day

Rotary training day of District 2483 (Serbia and Montenegro) gathered proactive Rotarians, as well as new members, who wanted to learn about new trends in the Rotary organization. Continuing the innovations introduced at DTTS and PETS, District Governor Nikola Božić with his trainers designed four interactive sessions in small groups, one panel discussion with his committee chairs, as well as interesting lectures by invitation.

The introductory lecturers at this Training Day, on Saturday September 10, were His Excellency Demetrios Theophylactou, Ambassador of Cyprus to Serbia, Mrs. Violeta Jovanović, Executive Director of NALED and Ivan Miškulin, Governor of the Rotary District of Croatia.

RRFC Christina Covotsou - Patroclou, from Cyprus, Zone Coordinator for the Rotary Foundation, and RPIC Niad Al Atassi, from Bahrain, Zone Coordinator for Public Image were addressing the audience via video link. DMC Veliša Stamatović, in charge of membership, DRFC Zorica Jestrović (Foundation), DPIC Ljiljana Lainović (Public Image) and DISC Vladimir Matić (international cooperation) were participants at the panel discussion on the current state of the District.

The fact that discussions were very dynamic, the atmosphere was constructive and creative, and the conversation lively, is proof that the event was useful and interesting for the participants.

35th Dardanelles Swimming Competition Completed Successfully

After the Public Image Seminar in Istanbul, Zone 21B Public Image Team participated to the 35th Dardanelles Swimming competition which is one of District 2440's signature events taking place every 30th August. This date has an important role in Turkish History and named after Victory Day, where the fundamentals of the Modern Turkish Republic was founded.

Out of registered 850 participants, 700 swimmers from around 30 different countries have finished this challenging competition from European side of Dardanelles to the Asian Side. Participants had to overcome strong currents and a distance of 3,5 nautical miles.

This event is successfully hosted for 35 years by Canakkale Rotary Club with the support of many institutions, state departments, private companies and sponsors. More than 300 Rotarians, Rotaractors and other supporters are involved.

This event is a sustainable project of Canakkale Rotary Club and a very good example for how to promote Rotary in the Community.

District 2482 Bansko Razlog Project

We are happy to announce the successful end of the Third Rotary project for modernization and providing better conditions in Regional Hospital in Razlog (MBAL Razlog). The Hospital is covering 30 towns and villages in the region. The Heroes are the Rotarians, members of Rotary club Bansko-Razlog. They provided the financial resource, assisted in the delivery and installation of specialized new medical equipment to monitor all vital indicators of patients in critical situation.

The partners are more than 20 Rotary clubs from 10 districts, and with the very important participation of Assist International.

The system consists of a central computer and 12 computer stations for simultaneous monitoring patients in critical conditions in 3 departments of Regional Hospital in Razlog.

In addition, providing funds for the purchase and delivery of the equipment, Rotarians provided an opportunity to train the medical staff.

The finalization of the project was a real celebration. The event attracted doctors and medical staff, the president and members of RK Bansko Razlog, Rotarians from other clubs of District 2482, Ralf Sudfeld, president of Assist international, Rotarians Paula Downing and Susan Marcellas, Henning Sorknaes and Silvia Vidovitz, Valencia Watson, representatives of Municipality of Razlog, led by Mr. Vencislav Garmentov. Rotarians saves Lives and make positive impact in local communities and all around the world.

President Nominee for 2024-2025 Rotary Year Selected

Bio of Nominating Committee's Choice for 2024-25 International President. 📌

Dr. Stephanie Urchick is on the RI Board of Directors and serves as the Chair of its Executive Committee in 2020-2021. She is a member of the Rotary Club of McMurray, Pennsylvania and has served Rotary as a Foundation Trustee, Chair of the Rotary Strategic Planning and TRF Centennial Celebration Committees, member of the Atlanta RI Convention Committee, RLTI Moderator, International Training Leader, Regional Foundation Coordinator, President's Representative, District Governor, District Delegate to two Councils on Legislation, and as a member of various RI Committees and in many club and district Foundation roles.

A Rotarian since 1991, Stephanie has participated in a variety of international service projects, including National Immunization Days (polio prevention) in India and Nigeria, the building of an elementary school in Vietnam, water filter installation in the Dominican Republic, and mentoring new Rotarians in Ukraine. Securing mammography equipment and a biopsy unit for a hospital in Poland was the district-wide TRF matching grant that Stephanie coordinated with the Rotary Club of Krakow. In its commemorative book, the Rotary Club of Krakow noted Stephanie Urchick as one of the agents helping the re-birth of Rotary in post-Communist Poland. Currently, Stephanie is helping to partner clubs and districts in the U.S. with Rotary clubs in Kosovo and Albania for humanitarian and educational services.

Stephanie's professional background is in the higher education, consulting, and entertainment industries. She received her doctorate degree in Leadership Studies from Indiana University of Pennsylvania and has been recognized and awarded by The Rotary Foundation and numerous community and international organizations.

Municipality of Kavala: Thank you note of the Mayor of Kavala, Theodoros Mouriades, for the offering of an educational greenhouse from the Rotary Club of West Kavala to the trainees and staff of the Centre of Creative Activities-Special needs people of "Dimofeleia".

.....
"I would like to thank from the bottom of my heart, the Rotary Club of West Kavala for its offering to the Creative Activities-Special needs people of "Dimofeleia". The operation of a model greenhouse, will strengthen the

valuable work carried out by the staff of the Center for a number of years to come, while giving the opportunity to its trainees to get to know the nature better, to acquire more knowledge and experience and to develop an experiential relationship with the cultivation of agricultural products.

The British partner of the Rotary club of West Kavala, commander Robert Lewis and the president of the Rotary club of West Kavala, Dimitris Tzimas, with the assistance of the former president of the Club, Theodoris Kayabis and the permanent interest shown by the Assistant Governor of 2475, RID Anna Pavlidou, managed to improve the skills of people with disabilities in the said Center, empowering the concepts of teamwork and meaningful cooperation. In a particularly difficult time for our society, they continue to be an example worth following. May others be also inspired by their empathy and generosity.

District 2475 Organised an Athletic Championship

District 2475 In the city of Preveza, Greece, from the 8th to the 12th of July 2022, the International Cup and the 1st Balkan Championship / Competition of Aesthetic Group Gymnastics were held with great success. More than 500 young female athletes from 9 countries took part in the games, accompanied by more than 1500 family members, judges and coaches, international representatives and famous sport personalities.

Rotary Club of Preveza deserved the honor of being officially awarded by the Hellenic Federation of this Sport for its overall support and offer, also for its entire contribution to the success of all the events.

Specifically:

- RC Preveza worked from very early on for the final selection of the city by the Hellenic and the International Federations as the venue for all the games and events.
- RC Preveza edited and coordinated the overall Sponsorship Program and – through its members' businesses – was the Communications Sponsor of the games and telecasts.
- RC Preveza participated in the Organizing Committee and also put at its disposal a team of six members on the purpose of voluntary work at the operational level before, during and after the competitions.

It was a magnificent and very effective initiative of RC Preveza through different interesting sub-projects aimed various fields of Rotary interest such as Community Development, Rotary Public Image, Youth and International relations through action.

District 2470 Renovated Penteli Children's Hospital

On Monday, June the 27, 2470 R.D. and the Rotary Clubs completed the big project of the year. The renovation of a special wing at Penteli Children's Hospital, which concerns the provision of equipment for the temporary accommodation of Children and Adolescents up to 16 years of age, who are removed from the family environment - or deprived of a family environment - by order of the prosecutor, until foster family or hostel for minors.

As part of the donation was made:

- Design / renovation of rooms and workspace for children and teenagers.
- Configuration of new toilets for boys and girls.
- The required hotel and electronic equipment was provided (beds, bedside tables, closets, chairs, tables, air conditioners, computers, 65-inch TV, lighting fixtures, etc.).

A dream comes true! The children will be able to be accommodated in a wonderful space, which until recently was an abandoned building. These children will have care and love until they are quickly back in their foster families. Congratulations to all Rotarians who worked for this project. Because at the end of the day the great reward for us are the children's smiles...

District 2470 Supporting Communities - Athinai RC

The President of the Rotary Club of Athinai, Rot. Haralabos Tiginagas presented this very important and useful equipment, a donation of the Rotary Club of Athinai to the small island of Chalki. This equipment, along with

other defibrillators located on certain popular beaches of the island of Chalki, will help prevent health incidents and save lives of the citizens and visitors of the island. The presentation of the equipment took place at the premises of the island's town hall, in the presence of many island officials and members of the Rotary Club of Athinai, the President of the Rotary Club of Rhodes, Rot. Marios Pieris and the past President Ilias Pipinos.

District 2484 Organised a RYLA Seminar in Perea Thessaloniki

With absolute success and with results that far exceeded expectations, the four-day #RYLA 2022 International Education Program of #District2484 of International Rotary, which includes the #Rotary Clubs, was completed of Northern Greece!

The Program was conducted in the wider area of Thessaloniki, focusing on Peraia and its activities developed in Mihaniona, Angelochori and of course in the center of Thessaloniki. 12 young and young people from Bulgaria, Kosovo and Greece participated in this, while as Educators they were contributed by 5 elected Rotary Colleagues and 4 non-Rotarian scientists and professionals, all recognized in their field!

The Programme titled "Leadership skills and critical thinking" was designed in such a way that it is highly interactive, with continuous succession between theoretical approach - discussion and immediate practical application. It wasn't so effective that the trainees, as well as the other participants, left with ... "stressed", but committed to themselves that they will not henceforth skip their active participation in any relevant rotary activity in the future!

The Program was prepared by the District Instructor and coordinated by the respective Regional Committee, implemented thanks to the support of the Rotary Clubs of Thessaloniki - Alexander the Great, Thessaloniki - Metropolitan and Preve zis, as well as with the support of the Greek Ionian Fleet of the Rotary Fellowship for Yachting and Maritime recreation, of the Authorities and bodies, as well as sponsors, whom - all of you - we warmly thank and heartily congratulate for your absolute understanding and unreserved acceptance of this important rotarian action and offering to the Youth and to society! ... and because the phases of the Program were many and interesting, all of them will be analyzed with independent posts afterwards, so stay tuned!

District 2470 Supporting Communities - Athinaï Lycavittos RC

AthinaïTHINAI-Lykavittos Rotary Club of District 2470 with the contribution of the 2470 International Rotary Region and the participation of P.O. Rhodes, Kastellorizou-Megisti, Rhodes-Kolossos, Marathon-Nea Makri, Santorini-Oia, Heraklion -N. Kazantzakis, Samos, Kifissia-Kefalariou, Patras, Piraeus-Anatoli, Heraklion, Kos, Pallini-Gerakas, Vouliagmeni, the Hellenic Aegean Fleet IYFR and the PDG Georgios Mavros made a District Grant for the supply of a SEABIN (floating cleaning system) of the port, which is burdened daily by the movement of vessels, especially the Navy and the Coast Guard. This system, in addition to the aesthetic upgrade, will ensure the survival of the special marine fauna and the preservation of the biodiversity of the area. A project with high symbolism and international scope!
