

Meet The Rotary International President

R. Gordon R. McNally is president of Rotary International. He was educated at the Royal High School in Edinburgh and at the University of Dundee, where he earned his graduate degree in dental surgery. He operated his own dental practice in Edinburgh until 2016. Gordon was chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a presbytery elder, chair of the Queensferry parish congregational board, and commissioner to the general assembly of the Church of Scotland.

Support the president's initiatives

This year, Gordon is focused on three presidential initiatives that Create Hope in the World: prioritizing mental health, building peace through virtual exchanges, and empowering girls.

"To create hope, we must continue doing our most important work, and do it better than ever before," said McNally.

Presidential Message

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

Gordon McInally

Maternal and Child Health Month

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

Zone 21B Rotary Public Image Coordinator Message

Perhaps the only institution in the world that gives every individual Rotary member the chance to serve as a leader. In my 27 years of Rotary life, I have had many leadership opportunities, each of which I have filled with magnificent stories, and as of today, I am experiencing the beginning of a new Rotary year in which I will carry many stories to the future with the motto "Create Hope in the World".

Every Rotarian should have a story, says a Rotarian elder of mine; How accurate is that not? Because those stories connect us to Rotary, those stories bring us new friends, and those stories tell the real us to those who don't know us. That's why let's write, record, tell the stories we've collected... The most effective, most successful and proud story of Rotary International is the struggle we fight against Polio with the motto of "People of Action".

From now on, we will continue to work with all our strength to eliminate the problems both with Polio and in the 7 focal points that we have ideally revealed. Of course, our commitment to the values of "Diversity, Equity, Inclusion" will be our biggest driving force in this journey. I wish you a time when we will find PEACE, the value that the world needs most.

NEMRUT ROTARY REMEMBERED WOMEN

Within the scope of the EVKA project, our women living in the villages of the Yaylakonak Town of Adiyaman Center will contribute to the home economy with cheese produced from the milk obtained from the goats donated within the scope of the project organized by the Nemrut Rotary Club.

Pointing out that cheeses produced in completely natural environments are in high demand, Nemrut Rotary Club term President Mehtap Binzet said, "We continue to support our citizens living in Yaylakonak Town and its affiliated villages, which suffered great losses during devastating earthquake. We delivered the goats donated by the Turkish-American Association of California, operating in the US state of California, and the American benefactor Eric Liittschwager. They will contribute to both the home economy and the economy of the town by producing cheese from the milk they will obtain from 166 goats we have given to a total of 50 families. We have to support our women. As the Rotary family, we do our best to improve the post-earthquake conditions and heal the wounds, especially in rural areas. "We will continue to do so," he said.

GOAT AID FROM ROTARY TO FAMILY AT EARTH- QUAKE

As part of a meaningful project organized by the Nemrut Rotary Club and Adıyaman Community Association, the Turkish-American Association of California, operating in the US state of California, and the American benefactor Eric Liittschwager distributed 34 goats to 17 families who made their living with livestock and lost their relatives during earthquake in the Yaylakonak Town of the Center.

Adıyaman Nemrut Rotary Club Term President Mehtap Binzet emphasized that they distributed 132 goats to 33 families in Yaylakonak Town immediately after the 6 February earthquake, and stated that they now donated 34 more goats to 17 families, giving a total of 166 goats to 50 families who lost their relatives at earthquake.

Binzet said, "Through this special aid event, the California Turkish-American Association and Rotary Club, aiming to support the earthquake victims in their difficult processes, help them to recover with the goat aids given to the families dealing with animal husbandry."

Ilge Karancak, a member of the California Turkish-American Association and Monterey Cannery Row Rotary Club, who came to the earthquake region in May, emphasized the importance of solidarity and support in combating the effects of natural disasters such as earthquakes and expressed her gratitude to the Nemrut Rotary Club. He expressed how valuable this meaningful help for earthquake victims and supporting each other is.

Families who lived in the villages of Yaylakonak Town and lost both their homes, their relatives and their pets in the earthquake expressed their satisfaction for this meaningful assistance and thanked Rotary.

RC PERGE: AWARENESS PROJECT

Perge Rotary Club from District 2430 intends to be an active participant in various committee projects throughout the period 2023-2024. Two of these are to raise awareness about drug addiction and child abuse. The two primary committees are quite valuable to us. We shall enlist the assistance of two of our physician colleagues for both. During our first visit,

we went to the Beyaz Melekler health cabin Ergin Yıldız and placed posters and brochures. Our second visit was to Dr. F. Volkan Yüksel, a psychiatrist and sexual therapy specialist. He stated that he will collaborate with us to raise awareness about drug addiction and abuse. We begin family and child education in September. With my heartfelt Rotarian love and regards,

2nd IZMIR SUN, FUN AND CULTURE CAMP

We held the second of the Short Term Youth Camp in Rotary District 2440, between 3-15 July 2023. Clubs involved in the organization of the camp; İzmir Rotary and İzmir Rotaract Club, Bodrum Rotary Club, Denizli Rotary Club.

This year, 6 participants from 6 different countries took part in our camp.

- Gilda Castellanos Von Borstel - [Mexico, District 4100, RC Tijuana Independencia]
- Patriarch Jorgenvag - [Hungary, District 1911, RC Szentendre]
- Lisa Maria Alberta Laumen - [France, District 1670, RC Villeneuve d'Ascq]
- Jan Noot - [The Netherlands, District 1610, RC Oosterhout Regio]
- Alida Maspes - [Italy, District 2042, RC Sondrio]
- Tzu Ting Huang - [R.O.C.(Taiwan), District 3490, RC Wu Ku]

Participants were hosted by Rotarians, Rotaractors or host families. They were hosted by 3 different families in 3 different cities and we tried to make them get to know Turkish culture well.

The enthusiasm of the camp and our campers increased day by day. There was a complete team spirit. Behavior and interest of young people towards each other and host families reached a very high level. Host families, on the other hand, were at the peak of Turkish hospitality from the very first minute. They took care of all campers as if they were their own children or siblings. Many thanks to each and every one of them. Without host families this camp would not have happened.

This year, we both enriched the content of our camp and made more qualified trips and promotions. At the same time, we created an environment for Turkish and foreign youth to spend longer time and increase activities. Denizli and Bodrum Rotary Clubs also developed their camp programs. With extraordinary effort, they created an unforgettable camping atmosphere.

The benefits of the youth camp:

1. It greatly increased the unity, solidarity and cooperation within the club. It was a lively, cheerful, extroverted project that touched people.

2. 6 young people who do not know much about Turkey now "know us". We believe that they are real Turkish ambassadors anymore. We believe that when they hear the name of Türkiye, not only in their own country, but also in international platforms, they will feel warm and they have a lot to say.

3. This was not only a travel, entertainment and culture camp. It was a wonderful process that enabled cultural exchange, mutual understanding, being human beyond political problems, touching, feeling and being friends. It was very intense that everybody felt. As a result, when evaluated in general, it can be considered as a droplet contribution to world peace.

4. Short-term camps are useful. It helps us to introduce our country and our culture, and to give our messages with human warmth. We should organized more camps in numbers.

5. It is our biggest goal for the 2nd İzmir Sun, Fun and Culture Camp to become one of the traditional projects of İzmir Rotary Club. Bodrum and Denizli Rotary Club future Presidents expressed their positive thoughts for future.

I would like to thank to Rtn. Sabit Emre Limoncuođlu - İzmir Rotary Club President, Rtc. Tansu Aydın - İzmir Rotaract Club President, Rtn. Erkan Saylam -Bodrum Rotary Club President, Rtn. Mustafa Özcan - Denizli Rotary Club President and the board of directors of all clubs.

The "Mystery of Mersin"

The "Mystery of Mersin" youth exchange program has been recorded as an important organization where participants collected memories that they will cherish throughout their lives and reinforced cultural diversity. It is expected that the Toros Rotary Club will continue to build bridges among young people through such events in the coming years.

The program "Mystery of Mersin," where young people from different corners of the world come together, continues to be a beacon of hope, transcending friendship and understanding, and illuminating future generations.

TOROS ROTARY CLUB BROUGHT TOGETHER DIFFERENT CULTURES IN MERSIN THROUGH YOUTH EXCHANGE PROGRAM

The youth exchange program titled "Mystery of Mersin," organized under the leadership of the Toros Rotary Club, provided an unforgettable experience by bringing together young people from around the world in Mersin from July 9th to July 21st. A total of 31 students participated in the program, with 13 students coming from different countries, fostering intercultural communication.

During the program, various activities were organized, allowing the students to explore the history and beauties of Mersin. Visits to historical sites enabled the youngsters

to witness Mersin's rich cultural heritage. Moreover, an unforgettable boat trip allowed the students to admire the natural beauty of Mersin.

One of the most significant stages of the program was the 4-day stay in Bođsak, which provided an opportunity for the students to spend more time together and strengthen their bonds of friendship. Through numerous activities and shared experiences, a long-term connection was established between the foreign and Turkish students.

Onur Kirath, the President of Toros Rotary Club for the 2023-2024 term, stated that the youth exchange program brings together different cultures and enhances mutual understanding, making it an important step in promoting Mersin. He also expressed that the students have become like a family, stating, "I believe that these kinds of international events contribute to the development of young people as more open-minded, tolerant, and respectful individuals."

EAST MEDITERRANEAN CULTURE & FUN SUMMER CAMP

Rotary Short Term Exchange Program "East Mediterranean Culture & Fun Summer Camp" was held jointly by four Rotary Clubs in Adana, namely Adana RC (coordinator club), Adana Seyhan RC, Adana Çukurova RC, and Adana Güney RC. Nineteen students (13 girls and 6 boys) between the ages of 15 and 17 years participated coming from various

European countries including Spain, France, Belgium, Italy, Poland, Croatia, Lithuania, Slovakia, Denmark, Czechia, Romania and Bulgaria. While the students were hosted for two weeks by Rotarians at their houses, the camp program was exceptionally busy and even demanding considering the extreme heat wave that swept through the region at the time of the camp. The students met every morning in front of the historic Adana Central Station Building to take their private bus for the daily excursion and returned in the afternoon to be picked by their host families with whom they spent the evenings. Every day they visited cultural heritage sites, museums, open air museums, ancient castles and beautiful natural wonders such as canyons and fairy chimneys. They also had opportunities to relax and enjoy beautiful sandy Mediterranean beaches. The students also visited for Rotary Clubs. Flags were exchanged after the students gave presentations about themselves and their home countries. The camp was covered extensively by the local media.

The students were accompanied by Interact and Rotaract Club members and teenager children of host families as well as the Rotarians responsible for them during the camp. This way they formed very good friendships with each other and their Turkish pairs, got to learn the rich and impressive culture and history of the region

and got acquainted with their host families. The camp came to an end with the Certificate Ceremony followed by an emotional good bye party.

Rotary Short Term Exchange Program Summer Camp is a unique and life changing opportunity for the students as well as the host families. It is also a perfect means to achieve Atatürk's "Peace at Home, Peace in the World" goal.

Rotary club Paris Agora and Rotary club Sofia International exchange

Story By Michaela Belcheva

Reflecting on my recent visit to Paris, there is an overwhelming sense of gratitude for the incredible experience three friends and members of Rotaract Sofia International and I, along with a member of Rotary Sofia International, had as guests at Rotary Club Paris Agora.

From the moment we arrived, we fell in love with the city's charm and beauty. This wouldn't have been possible without the warm hospitality of the Rotary Club Paris Agora, our twin club. Their thoughtfulness in providing us with comfortable accommodation and valuable recommendations truly made our visit unforgettable.

Exploring iconic landmarks like the Eiffel Tower and Palace of Versailles, strolling along the romantic Seine River, and indulging in delicious French cuisine were just a few highlights of our incredible journey.

SEE THE WORLD THROUGH ROTARY YOUTH EXCHANGE

Story by an Interactor

For me every summer has its own highlights and special moments which we never forget. And this year I had the amazing opportunity to take part in the “East Mediterranean Culture & Fun Summer Camp”, organized by four Rotary Clubs from Adana.

It was my father who first told me about Rotary Short Term Exchange Programs and to him I owe everything that I had the chance to experience.

During the camp I got to discover the rich and diverse culture as well as the millennial history of Adana region. The natural beauty of Türkiye I would never forget.

The magic of the camp aside from the busy program I would always remember. Every evening I went back to “my family” which was always waiting with anticipation for me and my story of the day. These people welcomed me in their homes like we’d known each other and had been friends forever. They were not only nice, kind and generous, but also allowed me to be part of their everyday lives and routines which was the most valuable thing about the Rotary Exchanges.

SEE THE WORLD THROUGH ROTARY YOUTH EXCHANGE

By living with the locals I completely immersed myself in Adana's atmosphere and explored the best places not like a tourist.

I would like to express my gratitude to all the people who made this possible especially to the host families who took the huge responsibility to look after us, despite having to go to work and deal with their own problems.

Now after the camp I can proudly say that I have found two new families from Adana who treated me like their own child. I hope that we'll keep in touch and my family in Bulgaria is already waiting for them to visit us back.

On the other hand, thanks to this camp I formed lots of new international friend which I hope will last long. From the first day on we were together, wanting the day to last for ever. I still can't believe how teenagers from all around Europe even without knowing themselves got that close so fast, shared everything and helped each other.

My favourite moments were in the bus when we were all singing and laughing together like a big family. Still every beginning has its end and in our case it was very emotional.

As a part of an Interact Club Blagoevgrad Center I also gained valuable experience by meeting with other cheerful young people who are part of the same organization. This means that we can do projects together with Interact clubs from Adana. Each participant is more or less sent like a representative of their country and the Rotary club responsible, so we are the ones who make the impression.

Finally, I would say that the hospitality that Rotary offers you can't be found anywhere. During the camp I became more independent, developed new skills and appreciated the cultural understanding. The benefits of the worldwide connections are countless and I would definitely go back to Adana again to see my friends from Türkiye.

Teşekkürler arkadaşlar!

RC CHIRPAN EXHIBITION: THE HISTORY OF ROTARY

On July 12, 2023, Rotary Club Chirpan organized the city's first exhibition "The History of Rotary". The goal is to promote Rotary International as a global network of professionals to the public.

The official speech was delivered by Nasko Nachev, PDG, member of Rotary club Plovdiv Puldin. At the opening of the exhibition Rotarians from Rotary Club Stara Zagora Beroe were also present, as well as citizens from Chirpan. Ten canvases displayed important stages of Rotary International history, the Rotary Foundation basics, Rotary symbols, famous Rotarians.

The exhibition is located in the summer garden of the restaurant "Haramiite" in Chirpan and will remain there until the end of the summer.

Rotary Friendship Exchange in Germany 16-23 June
2023

8 members of 5 Bulgarian Rotary clubs took part in the Rotary Friendship exchange in Germany in the middle of June. Earlier this year, in the month of April, friends from Germany visited Sofia, Sliven, Burgas, Kazanlak, Plovdiv, Blagoevgrad, Dupnitsa and Gorna Banya in Bulgaria, where they were welcomed by friends in their homes.

The Bulgarian group, visiting Germany, included representatives of 5 Bulgarian Rotary clubs:

Rotary Club Sofia International (3 members - Ms. Ani Hristova, Mr. Grant Dale and Mr. Serkan Halil), Rotary Club Dupnitsa (1 member - Mrs. Iliyana Valavchieva), Rotary Club Sofia-Balkan (1 member Ms. Vasilena Pirinska), Rotary Club Samokov (1 member - Mr. Radoslav Naydenov) and two representatives from Rotary Club Bourgas-Primorye-Kamen Filipov and Alexander Filipov.

ROTARY FRIENDSHIP EXCHANGE IN GERMANY 16-23 JUNE 2023

Part of the group's visit was related to participation in the District Conference of District 1950 "Thuringia-Franconia" in the beautiful city of Lohr am Main.

There were four German-speaking friends in the Bulgarian group, and the organizers decided that the presentation of the clubs and topics would be in Bulgarian language with translation into German rather than English.

There was the traditional handover of the ceremonial governor chain by Mr. Elmar Zoepfer, District Governor 2022-2023, to Mr. Stephan Küchenmeister, District Governor 2023-2024.

Good luck Stephan! Bulgaria supports you!

During the stay in Germany, many German clubs were visited: Rotary Club Hochstadt an Aisch with President (and warm host) Mr. Günter Greiner, Rotary Club Bamberg, Rotary Club Bamberg-Domreiter and Rotary Club Bamberg-Schloss Geyerswörth where we had a wonderful city tour in the magnetic city. The town is in Upper Franconia, on the river Regnitz, close to its confluence with the river Main.

The town dates back to the 9th century, where its name was derived from the nearby Babenberch castle. Cited as one of Germany's most beautiful towns, with medieval streets and Europe's largest intact old city wall, the old town of Bamberg has been a UNESCO World Heritage Site since 1993.

Rotary Club Herzogenaurach where we visited the Puma building, and we meet with Mr. Puma – Helmut Fischer, and we learned about the history of the Company.

Rotary Club Erfurt-Gloriosa where we were welcomed by the President of the Club, Mr Reiner Lehmann, Rotary Club Altenburg with President Mrs. Constanze Köhler and our host of the group Mrs. Christine Büring.

Actually, Mrs. Büring is the initiator of that RFE exchange, and we thank her for choosing us and for the great support and organization. Mrs. Büring also gave us a tour in the city and we were shown the business initiatives of numerous Rotarian friends. Our last stop, but certainly not least, was in Rotary Club Karlstadt-Arnstein with President Mr. Stefan Hessler.

Meetings were held where all Bulgarian clubs presented their past, present and future projects. The main topic was the outdated medical equipment in several hospitals in Bulgaria.

We presented the project of Rotary Club Dupnitsa for their city hospital, as well as the MED-BUL project of Rotary Club Sofia International for medical equipment for all hospitals in Bulgaria.

The Bulgarian group visited museums, castles, cultural centers, as well as taking part in the weekly meetings of the host clubs.

The attitude was warm and friendly. The hosts put energy into making the group's stay enjoyable and worthwhile.

The friends from Germany will continue their contacts with the members of the Bulgarian group and their clubs and, if possible, will assist in important matters related to Rotary projects.

ROTARY CLUB CHIRPAN

Donate Blood, Save a Life!

Blood donation campaign took place on 4th July 2023 in Chirpan Town. It was initiated by the local Rotary club.

The Rotarians of Rotary Club Chirpan would like to sincerely thank all the volunteers who supported the campaign that day! 9 women and 11 men donated blood. Three of the volunteers donated blood for the first time.

The medical team involved in the campaign of the Regional Center for Transfusion Hematology - Stara Zagora did great job that day. They helped with the quick and careful service!

This campaign is happening for the second year. Rotarians hope it is going to become a tradition!

Let's participate together in this noble cause! And let's not forget that anyone can fall into trouble and be dependent on the generosity of a stranger!

Thank you!

ROTARACT D2482

Musicians from Bulgaria, Macedonia, and Romania together in Reggae Party in Dobrich. Guests at the festival had the opportunity to hear reggae style music performed on the kaval and bagpipe.

The third issue of a Reggae party took place in Dobrich Skate Park. The initiative is by Zuzi Mihailova and Alexander Pamporov. This year the partners were Rotaract club Dobrich and Municipality of Dobrich.

In addition to the initially announced participants of the dub reggae party, musicians from Romania and Macedonia joined. Special guests of the evening was Alexander Lazarov - kaval and bagpipe, and Jungle Alien, who arrives directly from Skopje to present Steppa Dub and Ragga Jungle selection, as well as musicians from Romania.

"This year the festival has grown. In addition to the traditional guests from Razgrad and Varna, there is one more performer from Varna, three from Skopje, and another from Romania. This is already the third edition, and we plan to continue organizing the festival every year and expanding, so as not to stop this beautiful tradition," shared Alexander Pamporov, member of Rotaract club Dobrich.

For younger reggae fans, lovers of beautiful shapes and elements, there is an opportunity at the event to draw with chalk or to participate in a henna painting workshop. The event started at 4 PM at the stage next to the Skate Park and ended at 11 PM.

9440 KM IN 40 DAYS TO RAISE ENDPOLIO AWARENESS

In just a few days, at the end of August 2023, Bashar Asfour's memorable European tour is set to begin. The project "My Journey to EndPolio" has a cause that every Rotarian is aware of.

We'll tell you more about Bashar later, as his story needs to be heard.

From August 31 to October 20, Bashar will travel through many European countries and meet with Rotarians in 30 districts. He will start his journey around Europe telling his story and reminding the fact that Polio anywhere, is a threat to children everywhere. The goal of the project, besides fundraising, is to raise awareness of Rotary and Rotarian Polio Cause among nonrotarians.

ARPIC

From p38

In Bulgaria, Bashar's car will pass on the 4th and 5th of October. He will enter Bulgaria through Kapitan Andreevo on October 4th. His route will go through Stara Zagora, Shipka, and Veliko Tarnovo, and he will leave the country through Ruse on October 5th.

One of Bashar's meetings with Bulgarian Rotarians will be at Shipka, beneath the historical peak of St. Nikola. The location has been chosen by local Rotary clubs. It is a remake, a restoration of another event with the same cause, held years ago.

On August 22, 2015, during the traditional celebration of the Shipka Epopee, the Ride for Polio tour also passed through here – motodrive led by District Governor of Rotary for Northern Greece, Georgios Christoforidis and members of the Rotary clubs in Komotini and Thessaloniki. In 2015 the Rotarian rockers altered the route to get here and meet their Bulgarian Fellows. The cause was the same – promoting Rotary International's grand-scale project for a world free from poliomyelitis. We present a gallery of photos taken and provided by our fellow Plamen Ilarionov, PP Rotary club Gabrovo.

- With the organization of this soccer tournament, we aim to:
- bring Rotarians closer together and start new fellowships;
 - engage more Rotarians in the soccer tournaments in District 2482;
 - create opportunities for forming new soccer teams;
 - involve Rotaractors in the football events in District 2482;
 - form a national soccer team for both Rotary and Rotaract;
 - fundraising for Rotary's community service projects.

We hope that next year you, fellows from surrounding district will be our guest. Together we can transform the world and make it even better place.

ROTARACT VELIKO TARNOVO

Rotary Veliko Tarnovo members are sure that **Goodness** does not take a break. They have visited the **Centre for Dermato-Vinereal Diseases** in Veliko Tarnovo to donate medical equipment - an electrocoagulator, a smoke evacuator.

We would like to remind that the Rotaract Club of Veliko Tarnovo provided medical equipment to the regional hospital back in 2019. The donation consisted of a cardiograph for the "Obstetrics and Gynecology" department at MOBAL Dr. "Stefan Cherkezov," in Veliko Tarnovo.

Further, in 2020 an incubator/thermostat for storing blood and blood plasma was purchased for the "Transfusion Hematology" department in the regional hospital. At the end of 2022, the members of the Rotaract Club of Veliko Tarnovo donated inhalers to the municipal lung hospital "Dr. Treyman" in Veliko Tarnovo.

RC KOTOR: 7 100EUR RAISED DURING ROTARY BOKA CRUISE FUNDRAISING EVENT

The Rotary Boka Cruise, the annual summer fundraising event was organized by Rotary club of Kotor on July 22, 2023 with the aim to collect funds for the realization of the project of landscaping and installation of a public fountain near Gurdić and the southern entrance to the Old Town of Kotor, as one of the important locations in our city that is visited by a large number of tourists and

citizens every day. The project is yet another activity of Kotor's Rotarians for the benefit of the local community, in cooperation with the Municipality of Kotor and the Tourist Organization of Kotor. Through sponsorships, donations and participation in the prize lottery, the total amount of 7100 euros was raised during this event.

Over 170 guests and Rotarians enjoyed the sailing along the magnificent Boka Kotorska Bay on the tourist boat "Katica", and had the unique opportunity to attend the traditional, over 500 years old, custom called "Fashinada" in town of Perast for the preservation and protection of the artificial island of Gospa od Škrpjela (Our Lady of the Rock).

The event was attended by sponsors, friends and family members of Rotary club of Kotor, as well as the Rotarians from Rotary club of Smederevo, Serbia, Rotary club of Kastel-Split, Croatia, Rotary club of Belgrade-Skadarlija, Serbia, Rotary club of Novi sad-Danube, Serbia, Rotary club of Belgrade-Metropolitan, Serbia, Rotary club of Belgrade-Stari Grad, Serbia, Rotary club of Belgrade-Singidunum, Serbia, Rotary club of Coronado, California, USA, Rotary club of Budva, Montenegro, Rotary club of Bar, Montenegro, Rotary club of Podgorica, Montenegro, Rotary club of Ulcinj, Montenegro, Rotary E-club Montenegro, Rotaract club of Budva, Montenegro and Rotaract club of Bologna est., Italy.

The event was supported by the members of District 2483 Leadership Team - Bane Randelović, District trainer and Coordinator of Rotary Zone 21, Nikola Božić, IP-DG, Veliša Stamatović, the DGE, and Deputy DG for Montenegro Srđan Grgić. Among the guests, the event was attended by Mr. Gregor Presker, ambassador of Slovenia in Montenegro, his wife Elvira Zlatić Presker, president of the International Women's Club, and Mr. Dušan Simonović, the president of the Montenegrin Olympic Committee.

Addressing the audience, Aleksandra Ivanović, president of Rotary club of Kotor Kotor, made an overview of the club's work so far and presented the ongoing actions: „We are pleased to announce that we have just financially completed our first Global grant project „Rotary for precision medicine“ in the amount of 40,000 euros in cooperation with the Rotary Club from Bari that will enable the procurement of equipment for the Centre for Biomedical Research of the Faculty of Medicine in Montenegro and specialization for one doctoral student in Italy.

The "Together to Paris 2024" campaign is underway, which we are implementing in partnership with the Montenegrin Olympic Committee with the aim of providing all sports associations in Montenegro with modern mobile equipment for the rehabilitation of athletes during participation in competitions.“

This event was also an occasion for the IPDG Nikola Božić to award past president of Rotary club of Kotor Janko Racković, the Paul Harris Fellow award. Also, the two new members of Rotary club of Kotor were given their Rotary pins. During the cruise the INCANTO band and DJ Tiffany performed as part of the musical program of the evening .
